Purchase of New Equipment For Firemen Authorized By Council

Compensation Coverage for Firemen Increased to \$5000 — Pass Bylaws 656 and 657

Reporting to Council at the regular meeting, Monday night, Fire Chief G. C. Mouck stated two meetings of the Brigade had been held and a fire drill would be held the third Monday evening of each month. He also made a requisition for the purchase of 200 ft., 2 1/2 inch hose, 8 firemen's coats, 4 helmets, 3 pairs mitts and 16 Kit packs for individual equipment of the firemen. The purchase of the equipment was authorized on the motion of Councillors Chambers and Hulm.

The Fire Chief also drew Council's attention to the cluttered condition of the Fire Hall and P. Broekema was instructed to clean up the premises.

Correspondence included an appeal from the John Howard Society; Assoc. of Mayors and Reeves, re membership; Hastings and Land O' Lakes, re signs; Ontario Good Roads, re convention; Murney M. Howe, Bloomfield, re used pipes and demolition of buildings; Department of Municipal Affairs, re approval of grant of \$180 towards steps at Community Hall; Salvation Army, re appeal; Workmen's Compensation Board, re coverage; Mrs. W. Grayer, re accident on street in which she sustained a broken arm; and Ontario Municipal Association re regional conference.

Chief of Police C. Hicks reported the absence of speed control signs on Mill St. and Council authorized the street committee to erect three 30 m.p.h. signs on this street.

The Workmen's Compensation coverage for individual firemen was raised from \$3,000 to \$5,000 on motion of Councillors Hulm and Glendinning.

Membership in Ontario Good Roads Association was renewed.

Don Rodgers addressed Council on matters concerning the Stirling-Rawdon District High School Board, followed by a question and answer period.

The installation of an extension phone for Chief S. E. Hicks was authorized and left in the hands of the police committee.

Council went into committee of the whole on bylaws and Bylaw No. 656 re amendment to Bylaw 450, and Bylaw No. 657, re parking were passed.

The following accounts were passed for payment:

Mr. and Mrs. Melville Tanner, Mill St., were "At Home" to their relatives and friends on Sunday on the occasion of their twenty-fifth wedding anniversary.

Mrs. Tanner is the former Margaret Danford, daughter of Mrs. S. Danford and the late Mr. Danford, of Stirling, and Mr. Tanner is a son of Mr. and Mrs. Thos. Tanner, of this village. They were married in St. John's Anglican Church, Stirling, by Rev. A. S. McConnell, on February 4th, 1939, and have always resided here. They have three sons, Marvin, an employee of the C.N.R., and Allan, employed by Northern Electric, both of Brampton, and Jim, with General Motors, at Oshawa.

The guests were received by the bride and groom of twenty-five years and their three sons had charge of the guest book. The dining table was appointed with a lace cloth, white chrysanthemums and pink carnations, and silver candle holders with pink candles. Mr. and Mrs. Tanner were

Artificial Ice For Arena?

Public Meeting To Be Held at Legion Hall at 2.15 p.m. on Sunday next, Feb. 9th

The vagaries of the weatherman have local hockey schedules in a turmoil and local and district officials are in a quandary to find ice time to get the play-offs under way.

Practically everyone realizes that artificial ice is the answer and all sorts of suggestions are heard as to how best to cope with the situation. Some prices have been obtained on available equipment.

In order to get a clear picture of the matter a public meeting is called for Sunday at 2.15 at the Legion Hall, Stirling. If you are interested please be there to express your opinion. Everyone is invited. Remember the date, Sunday, February 9th, Legion Hall at 2.15 p.m.

Juveniles Defeat Tweed in First Game of League Play-offs

Best Crowd of Season Witnessed 6 to 1 Win — Second Game In Tweed Saturday

In the first game of the Juvenile "C" League play-offs Stirling defeated Tweed by a score of 6 to 1. The game was played in the local Arena and was witnessed by the best crowd of the season. Due to the mild weather the ice was soft and hampered the players somewhat in carrying the puck. The second game of the series will be played in the Tweed arena on Saturday night.

Both teams adopted a close checking style of game and it was not until 12.43 in the first period that Vandervoort opened the scoring for the locals on a pass from Andy Faulkner. Cotton, the visiting goalie, who played exceptionally well all through the game, had little chance on the shot which came through a maze of players. About three minutes later Ken Smith broke down the left side and caught the corner of the net with a whistling drive to make the first period score 2-0.

The locals opened up the second stanza with a sustained offensive and "Pete" Bosiak counted twice within five minutes, with Wrightman drawing an assist on the first and Harris on the second. Barry Pyear increased their lead to 5-0 just over the half-way mark when he scored on a pass from Bosiak. Tweed's only counter came at the 16.10 mark with Hewitt being the marksman on an assist from Long.

Midway in the final stanza, which saw close checking by both teams, Smith counted his second goal on a pass from Donohoe. Both goalies had close calls but managed to keep their citadels clear for the remainder of the period.

Eight penalties were called throughout the game with four going to each team by referees "Pete" Utman and Jack Fisher.

Legion Completes Plans for Carnival

Big Pee Wee Hockey Tournament To Be Played Here on Saturday, February 8th

Plans for the Legion Ice Carnival on Saturday, February 15th are now complete. The Legion expects this to be one of the best carnivals in a number of years. President Allan Lawes has announced that two valuable prizes will be made available as door prizes. Bird's IGA have donated a 20 lb. turkey and Wells Motors have given 1 gallon of anti-freeze. The Legion is indebted to these merchants for their generous support. The prizes will be drawn for at the Arena on Saturday, February 15th.

Other features of the Carnival will be a Squirt hockey game between teams of the Legion-sponsored local league. The public will be pleased and surprised to see these young stars in action. A number of races for both boys and girls will also highlight the programme.

Many costume prizes will be given. In an effort to encourage the wearing of costumes, the Legion is admitting anyone in costume free of charge. In addition, a certain part of the skating will be limited to those in costume, so it is suggested that everyone dress up for the big event. The more the merrier.

Pee Wee Hockey Tournament

Another big feature attraction at the local Arena will be the Legion Pee Wee Hockey Tournament this Saturday, February 8th. This marks the 6th consecutive year of its operation and a full programme of Pee Wee Hockey is assured. Games will start at 10 a.m. and continue throughout the day, with the championship game due to start about 4 p.m.

Eight district Pee Wee teams will compete for the M. S. Fraser Trophy which is emblematic of the Tournament Championship. A number of years ago, Mr. Fraser, one of the Legion's Life Members presented this trophy. His generous donation has done much to encourage Pee Wee hockey in this area. The Legion sincerely hopes that all local citizens will make it a point to drop in at the Arena this coming Saturday and watch some of the district's finest boys in action. A nominal charge of 25c will be made for all adults. Children are admitted free.

The schedule of tournament games is as follows:

10.00 a.m. — Series A — Marmora vs Stirling
11.00 a.m. — Series B — Frankford vs Tweed
12.00 noon — Series C — Norwood vs Madoc
1.00 p.m. — Series D — Brighton vs Bancroft

Mrs. Earl Luery Hostess Stirling W.I.

Mrs. Earl Luery was hostess to the members of Stirling Women's Institute on Wednesday afternoon. Mrs. Frank Smith, the President, occupied the chair and conducted the business of the meeting. The usual opening was had and roll call was household hints.

The Treasurer gave a full report of receipts and expenditures. Mrs. Blanche Reid thanked the ladies for remembering her while in hospital.

A display of quilt tops, done by Mrs. M. Aythart, was most pleasing. A quilting party will be held later. A pot luck dinner and a short business meeting will be held in February.

Some of the ladies brought completed garments which they had made with material supplied by the Institute. Some were sold at the meeting and this money will buy lining for relief quilts.

The President was asked to take charge of arrangements for the District Annual Meeting which will be held in Stirling with the local W.I. as hostess. The Secretary asked for an encouraging number of members to attend the Summary Day on the display subject "Focus on Fishes" to be held in the Community Hall February 24th at 1.30 p.m.

Mrs. Reid of the Property Com-

mittee reported on the cupboard arrangement at the Community Hall.

Programme

The programme consisted of a reading, "Pilgrimage to United Nations," by Mrs. Frank Smith; "Pray As I Grow Older," by Mrs. Arnold Wannamaker; "A Boy's Essay of a Cow," by Mrs. David Luery.

Mrs. Earl Luery, Historical Research Convener, gave a most interesting history of the Trent River, a land of beauty, a land of usefulness in fishing, hunting, sports, picture taking, camping, a community like no other. She also mentioned the old houses and buildings still standing along the Trent River. Even to the young lad, can boast good fishing, and who is prouder in getting a big fish on his hook, a school boy or a grown up?

The Trent River area has lured many a visitor to pull up stakes in camping time and journey to the Trent River for a relaxing holiday. Fresh air untouched to breathe, singing birds in the early morning either to disturb a sound sleep or their musical notes bringing joy and thankfulness.

In early life this huge body of running water was used entirely to transport logs to mills to be sawed into lumber. If such an event took place in this age the old Trent River banks would be crowded with sight-

Mrs. Smith put on a "Snow" contest and Mrs. Dave Luery a "Saying" contest with candy as a prize. The singing of the Queen brought the meeting to a close.

The social hour, as always, was enjoyed. Mrs. W. C. West moved a vote of thanks to the hostess for her home, lunch committee Mrs. Smith, Mrs. Rupert and Mrs. Wannamaker.

White Cane Week February 2nd to 8th

"Seeing double is a good thing when you see for yourself and lend your vision to the blind," said Mr. N. M. Sprague, chairman of the Hastings County Advisory Board in an interview today about White Cane Week, sponsored each year by the Canadian National Institute for the Blind and the Canadian Council of the Blind. The chairman explained how visual assistance for a few minutes can provide hours of useful activity for blind people.

He told how one blind person had built a 19-foot cruiser. His wife read the blue-prints and checked on measurements. She shared her vision only occasionally but her assistance provided her husband with a productive hobby for more than a year.

Another example is in the reading of the CNIB talking book catalogue.

Since talking book users do not usually read Braille, they require sighted assistance to go over the titles. "You can read the catalogue in less than an hour," Mr. Sprague explained, "but you enable the blind person to select enough books for many months of reading."

Another place where you may see for the blind person is a neighbourhood store. Using the white cane, blind pedestrians will frequently enter the shop alone, assuming that the clerk will offer aid. The blind person may have trouble locating the clerk. A customer can help her by letting the clerk of the blind person's presence.

The chairman pointed out that in the recreation field, there are many places where people may volunteer their good sight. Across Canada, nearly 3,000 blind bowlers roll the lanes each week throughout the winter months. Hundreds of volunteers are needed to keep score and report to the bowler on the result of his roll.

Through 81 clubs of the blind, volunteer drivers are always in demand to supply transportation to evening meetings.

Then there is always the need for guidance across the busy avenue or the location of a street number. "When you meet a blind person," the chairman said, "take the time to do his seeing. Your sight will mean more to you when it serves someone else."

Salem S.S.

Pot Luck Supper

A pot luck supper was held Friday evening in the United Church Hall at Minto under the auspices of Salem Sunday School with a splendid attendance.

Following the sumptuous meal Mrs. Mel Wickens, Superintendent, welcomed all and thanked everyone for attending.

Mr. Orno Sharp was introduced and showed slides of his trip to the British Isles which were greatly enjoyed. Mrs. Percy MacMullen gave two readings and Misses Linda and Joyce Sine sang.

Mrs. Wickens then asked the Sunday School teachers, Mrs. Ivan Saries, Mrs. Tom Clements, Mrs. Ross Kinn and Mrs. Lorne Hagerman to the platform and each teacher presented her class with their Sunday School awards. The evening closed with the singing of "The Queen." Proceeds were very gratifying.

St. John's Parish Guild

The monthly meeting of St. John's Parish Guild was held on February 5th with Mrs. F. Harding, President, in the chair. The meeting opened with the singing of a hymn. Prayers were said by Rev. F. Downing.

Roll call was answered by 17 members. Mrs. Harding welcomed all present, especially the new members.

Corporate Communion will be held on March 1st at 11 a.m. for the Guild members. The Guild will cater to the I.O.D.E. supper on February 27th. Tickets were given out to be sold for the pancake supper.

A reading was given by Mrs. F. McGee.

Mrs. J. Whitehead introduced Mrs. John Haggerty who spoke to the Guild on floral arrangements. Mrs. Haggerty brought several beautiful arrangements made with driftwood; also vases of various shapes and sizes. Mrs. Haggerty explained to the members that many new buildings now had shrubs and floral arrangements of artificial flowers around the grounds and not real flowers. A gracious vote of thanks was given Mrs. Haggerty by Mrs. F. McGee. Rev. F. Crook closed the meeting with prayer.

A delicious lunch was served by Mrs. F. McGee and Mrs. J. Whitehead. Thanks to the hostesses was given by Mrs. E. Reid.

Teen Age Bowling League

On Friday, January 31st Brian Cooke rolled a high single of 233 and a high double of 379. The Snagglepusses and Hootenannies each scored 3 points while the Alleywets and Hillbillies score 2 points.

Team standings: Snagglepusses 59, Alleywets 59, Hillbillies 41, Hootenannies 31.

Promoted To O.P.P. Inspector

Promotion of Staff Sergeant Sam Whitehouse, of the Sudbury Provincial Police Detachment to the rank of District Inspector was announced recently in Toronto by Commissioner Eric Silk.

The Sudbury Area of the Provincial Police, known as District 13, has been under command of Whitehouse since Inspector Jim McBain resigned August 29th last year.

Inspector Whitehouse has been with the Sudbury Detachment since 1952.

He was born in Brighton, Ont. in 1911 and after graduating from the Brighton High School went to work on the newspaper in that town as an apprentice printer. From there he went to Kirkland Lake and worked at his trade for three years.

He was married at Kirkland Lake in 1937. Two years later he joined the town police force there and was with that force until 1942 when he joined the Provincials.

In 1943 Whitehouse was transferred to Cochrane and then to Larder Lake where he remained until 1946. His next move was to Englehart and then back to Kirkland Lake where he was made a Corporal. In 1952 Whitehouse was sent to Pembroke as Sergeant and six months later was transferred to Sudbury. In 1957 he became Staff Sergeant.

When Whitehouse came to Sudbury there were only 58 men in the entire district. This included policing the Blind River and Elliot Lake area — now in the Soo district. Today there are 106 officers and men serving under Whitehouse in the Sudbury Division alone. —Sudbury Star.

Inspector Whitehouse spends part of his holidays with his sister and family, Mr. and Mrs. Carman Nix, of Wellman's Corners.

Do You Remember?

TWENTY-FIVE YEARS AGO
ISSUE FEBRUARY 2nd, 1939

Mr. and Mrs. Walter Jeffrey were honoured by friends and neighbours Friday evening prior to their departure to reside in Belleville. They were presented with a silver tea service.

Thos. Cranston purchased the garage on Mill St. owned by C. N. Baker. The deal was consummated this week.

Mrs. D. Wellman, Bonarlaw, has had her poem "Little Jessie" accepted for publication in the Crown Anthology of Verse Co. standard edition in contemporary poetry.

Mr. and Mrs. Harold Chambers, of Stirling, and Mrs. H. Wood and Barbara, called on Mr. and Mrs. Arthur Wood, Sunday, Mount Pleasant.

The family of Mrs. James Summer gathered at the home of her daughter, Mrs. Will Johnson, on January 26th to honour Mrs. Summers.

Bethel
Mrs. C. U. Heath was taken to the Peterborough General Hospital last week.

J. W. Morrison, Rawdon, has purchased the farm occupied by John Cain, better known as the former J. B. Belshaw farm on the Fifth Concession.

Men's Ten Pin Bowling League

Ralph Scea's Oddballs took all 7 points from Bill Blakeley's Screwballs last Saturday.

Bill Blakeley rolled the high single of 185 and high triple of 499. Barry Hewton had singles of 182 and 163, Paul Adams 176, Harold Johnson 170, Ray Poste 168, Ralph Scea 158 and 157.

The Oddballs now have 41 points and the Screwballs 36. The year's

high single is Harold Johnson's 189 and high triple Bill Blakeley's 531. Ray Poste holds the high average of 151.

Entered Into Rest

MRS. MARY AGNES O'BRIEN

A native of Stirling, Mrs. Mary Agnes O'Brien died in the Belleville General Hospital on Friday morning, January 31st, 1964. In her 55th year, she had suffered a heart seizure.

Wife of the late Harold O'Brien, she was a resident at 56 Catherine Street, Belleville. The daughter of Mr. and Mrs. Thomas McGrath, she is survived by a sister, Mrs. J. A. (Margaret) Tullough, Belleville, and two brothers, James, of Oshawa, and Frank, Belleville.

Requiem Mass was held on Monday morning at St. Michael's Church, Belleville.

Interment St. James Cemetery, Stirling.

What Others Say

PRIVILEGED?

The next time one hears of "underpaid schoolteachers" the comment may be remembered of the rich couple who made a Christmas and New Year's flying trip to one of the islands in the sun: that most of the other holiday people were Canadian school-teachers.

This is as it should be so long as the teachers do not trade on the outworn tradition that they are underpaid.

Few, very few, workers in business, with similar lengths of experience, would be able, financially or because of time, to get those precious two weeks in the sun.

Public school teachers not so long ago were paid under two thousand dollars in the cities and under one thousand dollars in the rural areas. Whatever the qualifications of today's teachers, they are not underpaid to the same extent that they were a generation ago. —The Printed Word.

Trent Valley Hockey

Intermediates

Tie Bata

Stirling kept their play-off hopes alive Friday last in a Trent Valley League fixture at the local arena before the largest crowd of the current season battling the fourth place Bata Braves to a 5-5 draw. Stirling led 3-1 at the end of the first stanza but Bata fought back to tie it at 5-5 at the end of two. Both teams failed to score in the third heat.

Joe Hagerman opened the scoring for Elaines when he stole a loose puck, sped down the right wing and whistled a low drive past Genevoux. Ralph Fry made it 2-0 minutes later when his bullet drive found a corner. Gary Foshay accounted for the Braves lone first period tally when his long shot from centre caromed through Ray's pads. Gary Wright got this one back just before the period ended with Fry assisting.

Bata tied it up early in the second on goals by Foshay from MacDonald and Jamieson and Jamieson from MacDonald. Whyte then put the Braves one up assisted by Sonny Foshay. Pete Heasman tied it up for Stirling driving home Wright's pass. The same two hooked up for another minutes later, but it was called back for an offside. Gary Foshay put Bata ahead 5-4 before Gary Wright scored his second goal of the night from Heasman to tie it up for the final time.

Hendricks of Bata drew a 10-minute misconduct in the third period and Bird of Elaines a 10 minute and game misconduct, also in the third.

Wayne Kerr teamed up with Rollins on defence gave the Bata speedsters plenty of body contact, especially in the first and third periods.

Play Here

Friday Night

Stirling will be going all out for Friday's tilt here with the North Stars from Cooper. Roger Smith and Wayne "Smokey" Nelson will be here for this one and along with the rest of the team should give the locals their long-awaited initial win.

Friday Night Mixed Bowling League

Ladies' high single, B. Hewton, 277; high triple, Rosa Spry 708 and B. Hewton 703; high average, R. Spry 216. Men's high single, D. Reid 253; high triple and average, D. Scea, 623 and 229.

200 games — M. Syoboda 211, B. Hewton 207, 279 and 277, G. Bradshaw 220 and 207, D. Scea 205, 216 and 202, R. Spry 274 and 253, V. Woodbeck 204, D. Reid 253.

Juniors Win and Lose In Basketball

Last Thursday in the local gym Stirling boys junior basketball team defeated Tweed Juniors 63 to 61. It was a well played game with the Stirling bench providing the thrills. Three of Stirling's starters fouled out of the game early and some of the boys on the bench were called upon under pressure. They did not fold.

The game was dominated by Ken Smith who played an outstanding game and scored 27 points. It was a big victory for the boys as the Stirling junior team had not won a game for two seasons.

Local players with points scored in brackets are: Ken Smith (27), John Vreugdenhil (13), Dan Harris (9), Fred McAdam (6), Jack Rose (2), Dennis Gray (2), Milt Boyd (2) and Don Burkitt (2).

Lose To

Marmora

Last Monday the junior basketball team lost to Marmora 56 to 37. The Stirling boys seemed lost and it is hoped they were just getting a bad game out of their system. Nothing went right for Stirling.

Stirling's points were scored as follows: John Vreugdenhil (12), Dan Harris (9), Ken Smith (8), Fred McAdam (3), Jack Rose (3), Dennis Gray (2), Milt Boyd and Don Burkitt.

Monday Night Men's League

On February 3rd the Bad Boys won the weekly prize with 2204, the low three game total.

The local bowling proprietor, Ray Poste, rolled a high triple of 854 consisting of a three-game string of 278, 355 and 221. His 355 was also the high single of the evening. Other good triples were rolled by Doug Scea 608, R. Parks 603, C. Short 607 and Jack Doran 608.

Some good singles were rolled by B. Hewton 223, Bob Eddy 213, Al Boersma 232, Doug Scea 245, R. Parks 233, R. Scea 261, C. Short 221, A. MacConnell 229, Jack Doran 231.

At the end of the third quarter the Bolows had 42 points and they won the first quarter; the Maple Leafs 40 points and they won the second quarter; the Odds and Ends 24 points to win the third quarter; Canadians 17; Legion 13 and Bad Boys 11 points.

Trout Season Opens March 1st

The speckled trout season will open March 1st this year in Eastern Ontario, the Department of Lands and Forests reported recently. The March 1st date was an experiment last year, and it was found that the supply of speckled trout was unaffected by the change.

The early season is effective east of the western border of Hastings and Renfrew Counties.

Although March 1st falls on Sunday, the department said there was little likelihood that the opening would be advanced to the Saturday to accommodate week-end anglers.

THE BIBLE TODAY

For the first time since 1588, the Bible is to be translated into Welsh, reports the Canadian Press in a recent news release. About 15 Welsh scholars are working on the project.

The director of the translation work is Prof. Bledwyn J. Roberts. He explains that since 1588 many Welsh words have changed in their meaning. It is expected to take 10 years to complete the work of translation.

The Canadian Press reports that

Bishop Morgan's 1588 translation has had a profound impact on the Welsh language. "Much of the modern-day literary Welsh is still biblical in tone."

When Mary Jones travelled the twenty-five miles on foot from her home to Bala, Wales, in search of a Welsh Bible in 1802, it was the 1588 translation she secured. The scarcity of Welsh Scriptures at that time was the cause of great concern. It was apparent to many that some means be found to provide the people of Wales with the Word of God.

"The want of the Bible in Wales" was the impulse that formed The British and Foreign Bible Society in 1804.

HOME IMPROVEMENT ONE RESPONSIBILITY PLAN

Takes the Gamble out of Home Improvements

There was a time when a remodelling job was quite a gamble for a home owner. He had to buy materials, arrange for tradesmen and supervise them; approve the work, then scout around for money to pay the various contractors and suppliers. He gambled that everything would turn out right. But those days are long gone now that our LDA ONE RESPONSIBILITY PLAN has taken the gamble out of remodelling.

COSTS

Here's how our plan works: You tell us what improvement you want to make and we give you a firm price for the entire job before the work starts. You know your final cost — no "extras", no hidden costs.

MATERIALS

Then we supply all the materials you have specified and get skilled workmen for each trade employed. They work under our direction to your specifications. When the work is completed we inspect it with you and make sure it is satisfactory.

FINANCING

We'll take care of the financing too if you wish. Our LDA Budget Plan lets you make improvements of up to \$3,000.00 and take 5 years to pay for them. Next time you want to remodel use our One Responsibility Plan.

Materials — Labour — Supervision — Financing — All Available at LDA Dealers

LOOK FOR THIS EMBLEM

Ninety-seven lumber dealers across Ontario display the emblem of the Lumber Dealer's Alliance and so assure their customers of the best in quality, service and value. Each LDA dealer is an independent businessman, respected in his community. He has become associated with LDA so that he can better serve his customers through the strength of the LDA group. He is a dealer you know, a dealer you can trust.

In Memoriam

DEMOREST — In loving memory of a dear husband and father, Burgess Demorest, who passed away February 11th, 1963.

We who loved you sadly miss you in our lonely hours of thinking Thoughts of you are always near Like the falling leaves the years slip by

But loving memories never die Christ shall bind each broken link.

— Ever remembered by daughter Delores, son Adrian and wife Edith. 45-1p

JOHNSTON — In loving memory of our only son and brother, Allan, who passed away suddenly on February 11th, 1961.
Too soon it seemed God called him home — and closed a bright and brief career,
But who can say he had not finished his appointed mission here? We count it loss if death should come before a man has reached his prime,
But Life Eternal is beyond that mortal reckoning of time.
So weep not o'er the grave of youth — in unseen fields they labour still,
Their earthly work complete they go — some greater purpose to fulfill.

— Lovingly remembered by Mom, Dad, Janet and Grandmother. 45-1p

WODBECK — In loving memory of a dear mother and grandmother, Etta Mae Wodbeck, who passed away January 27th, 1960.

Upright and just in all her ways, Faithful and true to the end of her days; In silence she suffered, in patience she bore,
Till God called her home to suffer no more.
— Always remembered by Burton and family. 45-1

CEREAL FOODS

Cereal foods include breakfast cereals, macaroni products, flours and flour products such as bread and other baked goods. These foods have as their basic ingredient one or other of such grains as: wheat, oats, rye, corn, rice or barley. Wheat and oats are Canada's two main cereal grains.

Good Buys In

Cereal Foods Are

Breakfast cereals which are whole grain or enriched. These give infinitely better returns in food value for the money than refined cereals.

Breakfast cereals that are to be home cooked. They are usually cheaper than prepared ones.

Large packages for family use. These usually mean cheaper servings per person.

Enriched white breads which contain more iron and B vitamins, thiamin, riboflavin and niacin than unenriched loaves.

Whole grain breads are yet an even better source of food value for money spent.

Pastry and cake flours for home baking. The ingredients for cakes, cookies, quick breads, etc., made in the home are usually cheaper than the prepared mixes for the same product.

Macaroni products for recipe use. Short cut forms are used in casseroles and salads; long uncut types go with traditional Italian sauces; small varieties are used in soups. Fancy shapes and flavours add eye-appeal and interest to main dishes.

Good Storage Methods Preserve Eating Qualities of Cereals

Breakfast cereals and flours may be stored in their package on the shelf at room temperature. Open packages carefully according to directions so that they may be kept tightly closed again during storage.

Bread may be protected from mold if stored in clean, well aired and dry bread box. It will keep fresh for a week or two, wrapped in moisture-proof paper and stored in the freezer. If bread is stored in the refrigerator it should also be wrapped in moisture proof paper. As bread loses its softness at refrigerator temperatures, this method is recommended only when mold growth is a problem.

Macaroni products have excellent shelf storage life in original package. Plain cakes store well in a covered tin. Crisp cookies keep well in a loosely covered container; chewy cookies in a tight one.

Good Cooking of Cereals Depends on a Knowledge of Type and Form

All cereals are cooked to soften their texture, render the starch and protein edible and digestible and to develop full flavour.

Uncooked breakfast cereals should always be added slowly and steadily to boiling water, with constant stirring until thickened. This not only prevents lumps but also prevents cereal sticking to the pot. The time of cooking after the cereal thickens

depends on the form of the cereal. Some are relatively unprocessed and may take up to 2 hours. Others are processed so that they're fully cooked within a few minutes. Manufacturers' directions are the best guide for amount of ingredients and cooking times. Cereals should always be served piping hot, absolutely free from lumps and neither too thick nor too thin.

Macaroni products should be cooked in a large quantity of salted water until just tender. Overcooking makes them soft and they lose their integrity. Less cooking is required when the product is to be used in a recipe than when it is to be served directly with a sauce.

Specialty Meats Provide Change

A new way to maintain economy and nutrition in meat dishes is to use specialty meats, such as liver, kidney, heart and tongue. The Foods Department at Macdonald Institute, Guelph, advise that these meats are generally much superior to other meats in mineral and vitamin content. Liver is high in iron; kidney is also rich in iron and both contain "B" vitamins. And for those who are diet conscious, specialty meats are usually lower in fat content and therefore lower in calories than other meats.

So for a change in your menu, why not tempt the family with beef heart. Stuff the heart with bread stuffing and braise until tender. Or simmer it in water seasoned with salt, onion, bay leaf and tomato. Your family is sure to enjoy this challenging meat dish served either hot or cold.

It costs about 50 per cent more to drive at 80 miles an hour than at 50.

OF MANY THINGS

(By Ambrose Hills)

TWO KINDS OF MONEY

There is an old saying that it takes money to make money. That is partly true; it takes money and a willingness to risk it, and to work like Old Ned to make it worth the risk. A friend of mine just started a business in one of Manitoba's best small towns. It was a dream he had nursed along for many years. Here is how he finally made it come true.

He worked in the same establishment I worked in when we were young fellows. We were married the same year. His salary was about the same as mine. But he handled his money differently.

He and his wife agreed that they would spend a certain amount out of each cheque, and the rest would go into a savings account. Each time the account was big enough to buy a block of shares in some good company they would make the purchase.

This may not sound too different to some of you; but to most of us on the staff at that organization, it was a new concept. For this chap and his wife spent their "spending" money much more freely than the rest of us. They were often broke before payday. But they seemed to enjoy their spending. They had, as it seemed, a feeling of confidence because they never ever dreamed of touching that part of their cheque which was NOT spending money. It was in the bank, or in stock certificates.

True, there were shows they didn't go to, things they couldn't do... once that spending money had been dissipated. But the "saving" money was there, untouched.

I am quite sure that many of us from that original group of young employees have earned more cash over the years than this couple. They, however, accumulated more than any of us, into a pool with which they could actually do something they really wanted to do. And at the same time, they seemed to enjoy spending more than most of us did, because the money they did spend was meant for that.

So one small town has a mighty fine new business, which has added a number of young people to the ranks of the gainfully employed; and one middle-aged couple has a business they've always dreamed of having, in a town they have always admired.

If you would like to do the same kind of thing, classify your money — a set amount for spending, a set amount for saving. And never get the two kinds of money mixed up.

P.S. Bowling

On Saturday morning, February 1st Robert Cooke's Jets and Greg Dato's Flintstones each took one game for 2 points, but the Jets got the extra point for total pinfall. Cheryl Conley's Unstrikeables took all 5 points from Jane West's Hi-Lows.

Robert Cooke bowled the high single of 228 and high double of 363. Bill Bell had a single game of 179 and Ken Nunn 150.

Cooking Comments

Don't make the mistake of waiting until cooked meat is cold before refrigerating. Refrigerate such foods as soon after the meal as possible. This refrigeration is necessary, as bacteria, which causes food poisoning, multiply quickly at room temperature.

Wondering how much bread to buy for stuffing a turkey? Food experts at Macdonald Institute, Guelph, tell us that a one pound loaf of white bread, two or three days old, makes about four cups or one quart of light, fluffy crumbs with the crusts removed.

Purchase 2-3 to 3-4 of a pound of chicken per serving. Remember too, that some persons like two servings of meat at a meal.

A loose "tent" of foil over the top of a roasting bird will keep it from burning. Food experts at Macdonald Institute, Guelph, recommend foil rather than a tight-fitting lid on the pan.

Britons Like Our Butter

Some 5.5 million pounds of surplus Canadian butter have now been delivered and distributed in Britain, reports the Dairy Products Division, Canada Department of Agriculture.

The butter has been held in storage since it was made on 1961 and 1962. Exporters say it was of good quality and was well received by British importers.

Canada's shipment was part of the 11 million pounds which Britain sought on the world market in early October. The balance came from the United States and two or three European countries.

Britain imports butter under a quota arrangement which does not normally include Canada. However, Britain called for the additional amount when suppliers began having trouble meeting their quotas and domestic prices began to climb.

Canadian officials who had the problem of meeting an early deadline (November 15th) for completion of delivery faced an unexpected headache — a longshoremen's strike at some St Lawrence River ports in Quebec. Despite it, however, the butter reached Britain on time.

The Good Driver

A mysterious upsurge in traffic accidents swept right across North America in 1963. Statistics showed record highs in the indices of tragedy and waste reported from the U.S., from Canada, from Ontario.

Do Canadians care about the never ending tragedies that strain our roads? Do they care enough to support the radical measures that could reduce the toll?

Many people claim that the traffic accident problem is rooted in public apathy. Mr. A. G. De Lorenzo, Vice President, General Motors, says: "I want to take issue with this frequently-voiced complaint. I simply do not believe this is true. I believe the great majority of people are seriously concerned about traffic accidents. They earnestly want remedial action."

"But important as it is, traffic safety is not the only problem confronting people. In today's world we all

have to ration our worry time. Those seeking massive support for new means to attack the traffic problem must settle for their fair share of public concern, competing with other issues ranging from juvenile delinquency to nuclear war.

"Let's not call people 'apathetic' just because they don't raise a clamor on some technical matter where the initiative clearly lies with the authorities. Rather we should recognize that the public will support desirable traffic safety measures if their work is demonstrated, and if support is sought."

There are some high hurdles to clear in the pursuit of public support, according to the Ontario Safety League. People must be asked to accept a substantial amount of regulation. They must be asked to approve and pay for still more regulation. They must be asked to be patient while solutions to vexing problems are sought — to have confidence even when the picture painted is gloomy.

People must be asked, also, to admit that they are neither perfect drivers nor traffic experts. This is probably the biggest hurdle!

How To Get Along With People

1. Speak to people — There is nothing as nice as a cheerful word of greeting.

2. Smile at people — It takes 72 muscles to frown, only 14 to smile.

3. Call people by name — The sweetest music to anyone's ear is the sound of their name.

4. Be friendly and helpful — If you would have friends, be friendly.

5. Be cordial — Speak and act as if everything you do was a genuine pleasure.

6. Be genuinely interested in people — You can like everybody if you try.

7. Be generous with praise — cautious with criticism.

8. Be considerate of the feelings of others — It will be appreciated.

9. Be thoughtful of the opinions of others — There are three sides to a controversy; yours, the other fellow's, and the right one.

10. Be alert to give service — What counts most in life is what we do for others.

ONTARIO HYDRO HIGHLIGHTS DURING 1963

Ontario Hydro's resources climbed to 7,760,000 kilowatts during 1963 to meet power demands which rose approximately 7.5 per cent by December. Coal-fired stations played a vital role in supplementing the sharply reduced output of hydro-electric plants

as a result of low water levels. Highlights of the year include completion of ice channel improvements in the Niagara River (top right); display of Sir Adam Beck's travelling "circus" at the World Plowing Match

near Caledon to mark the 50th anniversary of rural power service in the province (top centre); delivery of the largest turbo-generator built in Canada (lower left) to the expanding thermal-electric Lakeview Generating

Station on Metropolitan Toronto's western outskirts, and completion of the first stage of the Extra High Voltage line from Northern Ontario hydro-electric projects to the Sudbury area (right). (Ontario Hydro Photo)

How's Your Driving IQ?

When you're driving on a snow-covered road and have to make a stop quickly, the best way to do it is to (1) slam the brakes on hard? (2) roll down the window and signal? (3) turn off the ignition and apply the parking brake? (4) pump the brake pedal?

According to the Ontario Safety League, you should pump the brakes in short, rapid jabs (4). Slamming the brakes on could cause a skid.

NEWS FOR THE BUSY FARMER

TRACTORS RATE HIGH IN FARM ACCIDENTS

Tractors are involved in more farm accidents than other farm equipment, according to the National Safety League of Canada. The League adds, however, this is because they get more use than other machines.

P. G. McLaren, the League's general manager, pointed out that a farmer is responsible for safety in his home as well as his industry. He may use as many as 35 different types of machinery during the year. The variety and complexity of this machinery may make his work faster and easier but not necessarily safer.

Mechanical failure, NSL reports, is rarely responsible for accidents involving modern farm equipment. "Nearly every such accident," Mr. McLaren said, "results from the operator's mistake." He cautioned that common sense, care and undivided attention must be exercised in the operation of mechanical equipment.

On the farm, falls are the predominant killer and produce more sustaining injuries than any other type of equipment. A farm worker must repeatedly climb on and off his equipment. He works in all kinds of weather. Frozen or wet ground makes slipping easy. Oil or grease on a tractor step, loose straw in the loft, a loose or cracked rung on a ladder, can lead to painful and expensive accidents if unnoticed or ignored.

Nor is the farm home exempt. About two-thirds of the nation's fatal falls occur in the home and the farm home is no different in this concern than the town home. Falls happen because of too much hurry, too little attention to surroundings, using equipment unsuited to the job, and putting off the removal of obvious hazards. Positive steps requiring only a moment, if taken immediately, will eliminate many causes of falls, said the League.

Keep stairs and passages clear of clothing, tools and toys. Protest outdoor steps and porches from weather damage and rotting. Fasten rugs securely and avoid loose scatter rugs. Use ladders in good repair instead of makeshifts and see they are on firm footing and at a safe angle. Move the ladder — don't reach. Wipe up spills at once. Stairs should have handrails and adequate lighting should be provided on stairs and in hallways. Keep a night light glowing in or near the bathroom. Install grab bars and use rubber mats in bathtubs.

"Safety," said Mr. McLaren, "never comes by itself. It must be provided, and this is the responsibility of the farmer."

SPRING WILL COME TREES WILL GROW AGAIN

In another three months some of the farmers and landowners will suddenly want to plant trees on their properties, and they will want to have seedlings sent to them right away. They probably will not get any. Why? Because spring is not the right time to order trees. It is too late, and seedlings are usually all spoken for at that time. The right time to make up your mind about planting is well ahead of spring, and the right time for ordering trees is now.

The Ontario Department of Lands and Forests annually distribute over fifty million young trees for planting. Most of them are used for plantations on Crown land, but millions are sold and sent to private planters across the Province.

By asking the nearest Department

of Lands and Forests Office for an application form and by filling it in and sending it to the address indicated on it by early February, the prospective planter has a good chance of obtaining the required trees in spring.

There are several species of trees available, and among them are usually those which a planter needs. Any one owning two acres or more can order trees at one cent a piece for all species except Scotch Pine which is 13 cents per tree.

In the past few years many farmers and landowners in our area have decided to plant trees on the north or north-west edge of their fields to protect the soil and crops from sudden frosts in the spring, and high winds and loss of moisture in summer.

Other planted windbreaks in front of their homes and barns to protect them from cold northern winds, to save on fuel, and to keep livestock warm.

These windbreaks and shelter belts often keep springs from freezing over and prevent the soil from being blown away by strong spring gales when the fields are freshly plowed.

The Ontario Department of Lands and Forests maintains a free consulting service and anyone interested in planting trees or managing woodlots can contact the nearest Department of Lands and Forests Office and discuss his problems, or arrange for a field trip free of charge.

Conference On Financing Dairy Buildings At K.A.S.

Free stall housing can be made to pay on dairy farms and John Petrie of Bainsville, Ontario, along with other Eastern Ontario farmers and professionals will show how on February 12 at the Kemptonville Agricultural School.

In co-operation with the extension Branch of the Ontario Department of Agriculture, the K.A.S. will conduct an all-day conference on the costs and means of financing dairy buildings.

The idea of the conference was conceived by agricultural representatives in Eastern Ontario to provide answers for dairy farmers who have been caught up in the rapidly changing industry.

The need to keep improving milk quality, and production techniques is often frustrated by the lack of convenient facilities and the high cost of new buildings.

Several types of dairy housing will be discussed during the day. In addition to John Petrie's discussion of free stall housing, Harold Bradley, of Cyrville, will discuss his loose housing setup.

Conventional stanchion barns will not be forgotten at the conference as Gordon McRae, of Avonmore, discusses his new stanchion barn with its single-head rail system for tying up cows and Don Rose, of Mountain, will tell of his experiences in remodeling dairy barns.

For dairy farmers about to start on a building programme, February 12th at the K.A.S., should provide a lot of information in one place. The programme gets under way at 10.00 a.m. in the mechanics building and will be finished by 4.00 p.m. Everyone is welcome.

Canadian motorists pay about \$100,000,000 annually through the federal sales tax on new vehicles, plus about \$500,000,000 through provincial gasoline taxes, vehicle licenses and drivers' permits.

WINTER IN MUSKOKA

This column is being written by the hearth of a massive stone fireplace in the home of two of my dearest friends. The house sits on the side of the Muskoka River just outside of Bracebridge and is built of hand-hewn century old timbers. It is stormy outside, a regular squall, but here where I sit all is warm and serene. Blue Jays, chickadees and three reddish coloured squirrels at feeders outside peer back at me through a magnificent picture window.

When I arrived last night the weather was April-like, but by now a steady snowfall has blanketed the terrain, and enormous drifts lie everywhere.

The natives of Muskoka like my friends Ernie and Ruth Taylor possess a zest for winter that must surely equal that of the Swiss. They love to hike, to snow shoe and in Ernie's case to chop massive chunks of wood for the fireplace, a dandy muscle and appetite builder. They are true Muskokans.

This morning I had to dig my way out of Bracebridge in order to push on to Huntsville. Once mobile and before the northward trek I stopped by for a look-see at what must surely be one of Ontario's and perhaps Canada's finest ski resorts, "Rainbow Ridge." The advertising brochure describes the chalet at Rainbow Ridge as rustic, yet luxurious, and the description fits to a tee, or perhaps I should say T-bar. The Chalet is a spacious two-storey stone and timbered structure with the height of a cathedral. There are lockers, a pro shop, dining room, lounge and three massive stone fireplaces. Everything about the place is big including the parking area with room for 600 cars. There is an outside skating rink for those who prefer

skates to skis, and dancing inside every night. I couldn't help noticing that the gals at Rainbow Ridge are right off the front cover of Harper's magazine. This could have something to do with the fact that general manager Brian Munro, and brother Bruce are two fine-looking lads in their early twenties.

It was Brian who took the writer on a Cook's tour of the Chalet, explaining all the while a great many things about skiing that I hadn't previously known. For example I learned about the Canadian Ski Patrol system, a brotherhood of skiers trained in skiing, tobogganing, safety, first aid and winter care of the injured. Each member of the ski patrol is a volunteer whose prime purpose for being on ski hills is the safety of others. The Ski Patrol wears a distinctive red patrol jacket with cross-patch on the back, and carries an identification card and a first aid kit. He is a tireless skier, the first up in the morning and the last down the hill at night. The Ski Patrol is the backbone of the Canadian Ski Patrol system and upon his shoulders rests the safe skiing fun of countless Canadians and visitors to our slopes.

From Brian I also heard about Stan Knowles and Carl Whittier, pro and assistant at Rainbow Ridge. Stan is one of those veteran skiers of international reputation that seems to get better with age. His younger companion from Quebec won the Canadian Junior Ski Championship in 1961.

There are five main runs at Rainbow Ridge — Rainbow's End — 1050 ft.; Pot O' Gold — 1325 feet (expert); Spectrum — 2575 feet (intermediate); Crescent — 3130 feet (novice), and the Rainbow Trail — 4290 (novice to intermediate). The T-Bar handles 1200 people an hour and there is ski

ing in the evenings under lights.

The Munros have discovered that interest in Ontario is building in fly-in skiing, with some patrons landing their own planes at Muskoka airport just 4 miles from the chalet. By car Rainbow Ridge is reached by traveling Highway 400 north from Toronto to Barrie, north on Highway 11 to Bracebridge, there connecting with Highway 118. The Chalet sits nicely off the highway about 1 mile west of Bracebridge.

The next lap of my journey led to Huntsville and in next week's column I will report on the terrific interest in winter activities originating from this popular tourist center. Once known primarily to hunters and fishermen Huntsville and surrounding area is leading the way in the development of a year-round recreational-tourist industry for Muskoka. Be sure to watch this column next week for a continuation of this report on the booming and wonderful world of winter sports.

CONSERVATION NEWS

REPLACE DEAD TREES

Travelling along 401, No. 2 or No. 33 Highways, or across beautiful Prince Edward County, we see dead trees all along the roads. Not only we, the lucky residents of this attractive land see this, but thousands of tourists as well. Such a sight certainly does nothing to enhance the appeal of the Bay of Quinte area.

Many of these ugly, dead stumps which once were beautiful trees are elms. The Canadian elm when healthy, is a most striking tree and characteristics of the country along the shores of Lake Ontario.

We all know by now the cause of the dying of so many of our elms. It is the so-called Dutch Elm Disease which, by the way originated in Asia. Holland is only one of those countries where it hit really hard.

Much research has been undertaken in Canada and elsewhere to combat Dutch Elm Disease, but so far the results have not been too encouraging. We hear of newly developed chemicals which seem to be effective in

fighting the disease, but they are not yet practical for massive treatment. We have to expect that in the near future many more elms will disappear from our landscape.

However, we can all help in limiting the spread of the Dutch Elm Disease by doing the following:

1. Cut down diseased and dead trees.
2. Burn tops and branches.
3. Spray logs with an effective insecticide.

Many elms will disappear, leaving ugly gaps and holes in hedgerows, groves and windbreaks. These gaps are not necessary, however, and we can fill them easily with other species of fast growing trees. For instance the Carolina Poplar, developed in Canada from the Italian Lombardy Poplar and the native Aspen, often grows to a height of 30-40 feet in 10-15 years after planting. The Silver Maple which in autumn is one of the most beautiful trees in the world also grows faster than elm.

By planting not only these species but also the slower growing Sugar Maples, Oaks, and Ashes, we can make up for the losses caused by the Dutch Elm Disease.

All these trees are available and can be shipped to anyone who owns two acres of land, exclusive of buildings, from the Ontario Department of Lands and Forests nurseries at a cost of 1c per seedling.

Time to Plant — This spring.

Time to order — Now.

How to order — Write for an application form from the nearest Department of Lands and Forests Office. If any problems concerning planting should occur, ask for assistance. The information is given free, and if necessary a visit by a Department of Lands and Forests representative can be arranged at no charge.

Hostess To Wellman's UCV

The ladies of Wellman's United Church were entertained at the home of Mrs. Gerald Clancy on February 4th.

The President, Mrs. Omar Dracup, gave the call to worship, reading Romans 13: 10, using "Love" as the theme. The hymn, "Saviour Thy Dying Love," was followed by the prayer hymn, "God Be In My Head." Mrs. Gerald Clancy was the acting musician.

Mrs. Bill Fleming took charge of the devotional service. Psalm CXLV was read responsively followed by the hymn, "O Master Let Me Walk with Thee." Mrs. Fleming gave the meditation and closed with prayer.

Mrs. Jim Pollock and Mrs. Frederick Beckett rendered a duet entitled, "It Took A Miracle." Mrs. Douglas Clancy gave a reading, "Winter's Beauty." Mrs. Gerald Russett sang a solo, "My Jesus I Love Thee."

The minutes read by the Secretary Mrs. Kenneth Tompkins were approved. Mrs. Tompkins also read a few items from the Clip Sheet. Little Sandra Fleming gathered the offering. The roll call answered by 19 members was a Bible verse containing the word "Love." There were also 9 children in attendance.

Mrs. Frederick Beckett gave the introductory chapter to the study book which deals with the Christian Movement in South Asia. Mrs. Beckett gave an account of the situation in

India where there are 384 persons per square mile as to 5 per square mile in Canada, the total population being 440,000,000. Several ladies read news bulletins on situations in India including their desire for world peace, the lack of food, the new age in industry. The need for understanding between the east and west and the need of mission work in India were stressed. Mrs. Beckett closed this very interesting study with prayer.

Mrs. Dracup thanked all taking part in the proceedings and Mrs. Clancy for her hospitality. The hymn "Will Your Anchor Hold" was sung, followed by the repeating of the Lord's Prayer.

The hostess and her assistants served dainty refreshments. A cake with candles designated the birthday of Little Miss Sandra Fleming and "Happy Birthday" was sung.

In the district, we venture to say there are many, many people who have heard a lot about minor hockey, but have never taken the time to see a minor game. This Saturday affords everyone an opportunity to see some of the best in the district. Why not plan to drop in to the local Arena and give the kids your support?

Memberships are now due for all members. Please note that Comrade Russ West has assumed the duties of Branch Membership Chairman. All members are asked to contact Comrade Russ and look after their membership obligation. Dues are \$6.00. New members in the Legion are needed. An if you know of any eligible veteran who is not presently a member why not let Russ know? Last year, Stirling Branch did not quite meet its membership figures for the previous year. It is hoped that we will more than make up for this during 1964.

Stirling Legion Executive Favours Installation of Artificial Ice Plant

Authorize Grant of \$500.00 To Start Fund — Meeting Called For February 23rd

The Executive of Stirling Branch No. 228 of the Royal Canadian Legion held a special meeting in the Legion Hall last Wednesday evening. A full executive was on hand to deal with a matter of vital importance to the community at large. The subject under discussion was the matter of artificial ice for the local arena.

It was unanimously agreed that artificial ice was a most desirable objective. Many reasons could be cited for the advisability of installing artificial ice machinery in our local arena. The Legion has accepted this fact and are willing to do everything in their power to bring this about.

Following a long discussion the following motion was unanimously passed by the Legion Executive:

"Whereas the result of a public meeting held in the Legion Hall on Sunday, February 9th showed that an artificial ice plant is highly desirable in the Legion Arena, and whereas the Legion has good reason to believe that such a project would receive wide support throughout the community of Stirling and district and whereas the Executive of Branch No. 228 of the Royal Canadian Legion unanimously favours such a project, be it duly moved that; an Artificial Ice Fund be immediately established at the Bank of Montreal, Stirling (such fund to be in escrow). To inaugurate such a fund the Stirling Branch of the Legion establish such a fund by the donation of the sum of \$500.00 subject to the approval of the next General Meeting of the Legion."

The above motion was carried unanimously.

A further motion was passed leading to the establishment of an Artificial Ice Fund Finance Committee. The motion reads as follows:

"That a meeting be held in the Legion Hall on Sunday, February 23rd at 2.00 p.m. for the purpose of establishing an Artificial Ice Fund Finance Committee. Notices of the meeting to be sent to the following organizations: Village of Stirling, Townships of Rawdon, Sidney and Huntingdon, Stirling Legion, Stirling Rotary Club and the Curlers of Stirling and district."

It is hoped that at least one or two representatives of each of the above groups will attend the meeting on Sunday, February 23rd and come prepared to add their support to this important community project. The Legion has accepted the responsibility for spearheading the move for artificial ice in our community, but wholehearted support of every group and individual in the area will be required. The Legion cannot achieve this objective alone. The problems to be faced are both numerous and difficult. However, when our arena was first established many years ago, the citizens of the area faced such problems and all of us have enjoyed the fruits of their labour in the years since. The time has now come to carry on the work they started.

The degree of public support to this Artificial Ice Fund will determine its success or failure. In taking the lead the Legion realizes that the first essential is a solid indication of public approval and financial support.

Present Legion plans call for the inclusion of every aspect of our community and area life in the campaign and development of artificial ice to serve this area. Much more news can be expected from the new committee to be organized at the meeting on February 23rd. In the meantime, all citizens are urged to lend their financial support to this campaign.

March of Dimes Nets \$290.00

The recent March of Dimes Blitz by the marching mothers netted some \$290.00 according to Mrs. Donald Williams, who was in charge of the local canvass. Sincere thanks are extended to the canvassers and the donors.

Play-Offs Tonight At Local Arena

League play-offs will be featured at the Stirling Arena tonight (Thursday). Tweed and Stirling Midgets will clash in the first game at 7.00 p.m. in the deciding game of a best two of three series. Each team won at home by identical 4 to 3 scores and fans should see a real close tussle in tonight's game.

At 9.00 p.m. Cooper and Stirling Juveniles will meet in the first game of their series. The locals have been winning consistently and will be out to lengthen their winning streak. Come out and give the local boys your support.

Driftwood Winner

In the weekly draw at Livesey's Red and White Market, Mrs. Arthur Loucks, Rodgers Crescent, was the winner of the driftwood centre piece last week. The winning ticket was drawn by Roy Sommerville.

Successful Dance

The dance, under the auspices of Stirling Lodge, No. 239, I.O.O.F., in Stirling Community Hall on Friday night last proved quite successful.

Music for round and square dancing was provided by "Stu J. and the Merryman's" Orchestra and a large crowd thoroughly enjoyed themselves. Dainty refreshments were served during the intermission.

Attend Convention

Reeve Frederick Beckett, Deputy-Reeve B. Morton and Councillors M. Clancy and Jack Morgan, of Rawdon Township, attended the Rural Municipalities Convention in King Edward Hotel, Toronto, on Monday and Tuesday of this week. Harold Varty, of Hungerford Township, was the presiding officer.

Judge For Carnival Queen

Stirling friends will be interested to learn that Mr. and Mrs. Wm. Greenley, of Smiths Falls, were two of the judges choosing the Carnival Queen at Perth on Saturday night. Both are former residents, the former a son of Mr. and Mrs. Al Greenley, and the latter the former Ruth Rose, daughter of Mrs. Morris Rose and the late Mr. Rose.

Harold Christenson Awarded "Sterling" Star Bursary

The announcement has been made through Queen's University, Kingston, that the "Sterling" Star Bursary has been awarded to Mr. Harold Christenson.

Mr. Christenson is a fourth year Honours student who after another year of post graduate work will enter the seminary in preparation of ordination for the Christian ministry in the Lutheran Church.

This bursary was established in 1962 by Mrs. Audrey Elliott as a perpetual reminder of her year of service as Worthy Grand Matron of Ontario, Order of the Eastern Star. In lieu of personal gifts, Mrs. Elliott requested cash donations. Her presentations were numerous and unique and as a result the "Sterling" Star Bursary will be awarded to some needy student annually in perpetuity.

In a letter to his benefactor Mr. Christenson writes:

"Too often, Christians forget the expense and work involved in such preparation. It is most gratifying to become aware that others care about and share with you the joy of serving our Lord. At the moment we Christian students have our mission here at Queen's, on the campus. Perhaps we are the only people capable of sharing the Christian community with our fellow university students."

Anne Watson Winner of Public Speaking Contest

Anne Watson, daughter of Mr. and Mrs. Lorne Watson, was the winner of the public speaking contest for pupils of the local Public School held recently. Mona Aude took second and Vicky Hay third place in the competition which had twenty contestants from Grades 5 to 8.

Junior Competition
Nine contestants from Grades 5 and 6 spoke as a separate group, with Douglas Faulkner and Lana LaChapelle being the winners.

The senior contest had eleven contestants from Grades 7 and 8. The three winners represented Stirling School in the District Public Speaking Contest held in St. Paul's United Church last night.

Each contestant was given an award from the Stirling Public School Board.

Entertainment was provided by Paul Jones, Tony Svoboda and Danny Jones, accompanied by Mrs. G. Heath.

Reappointed Fairs Director

At the annual meeting of the Central Fairs Association held in Belleville on Wednesday last, Clarence Fitchett, of Madoc Junction, was reappointed District Director for the current year. Carl Heath, Marmora, was named as his assistant.

Mrs. Perry Bronson, Stirling, was elected 1st Vice-President of the Women's Section of the Association and Mrs. W. Hume, Campbellford, is Secretary-Treasurer.

Stirling Fair dates were approved as September 4th and 5th.

Won IGA Draw

Mrs. Bill David, 63 Front St. W., was the winner of a bathroom space saver in a draw at the local IGA store on Saturday. Mrs. Lorne Stapley drew the lucky ticket.

Rebekah Lodge Confers Degree

At the regular meeting of Laurel Rebekah Lodge, No. 211, Stirling, on Tuesday evening, the Rebekah Degree was conferred on a number of candidates in the presence of a large attendance.

The Degree Captain Olive Whitehead and her team carried out a beautiful and impressive ceremony.

At the close of lodge a dainty lunch was served in the banquet hall under the direction of Sisters Alice Macklin and Neva Vandervoort.

Hastings County 4-H Club Leaders' Association Elect Officers for Year

Mr. Calvin White, of Detlor, was chosen President of the Hastings County 4-H Club Leaders' Association for 1964 at their annual meeting which was held at the Kiwanis Centre, Belleville, on Tuesday evening, February 11th.

The evening commenced with some forty Club Leaders, and their wives, enjoying a banquet, catered to by the Wallbridge Women's Institute.

The President, Mr. Harold Chambers, Stirling, welcomed those present and explained the activities of the Association. After the banquet the ladies departed for an evening of entertainment to the Belle Theatre, while the Leaders held their annual meeting.

Lyall MacLachlan, Assistant Agricultural Representative, reviewed the past year's 4-H programme, mentioning some of the highlights in judging both in the County and at the Ottawa Winter Fair.

Sidney MacDonald, Agricultural Representative, thanked the Club Leaders for the excellent work they are doing with the rural young people, and for the many hours of time they freely give each year. Over the past years the number of Hastings County boys who have represented the Prov-

Bancroft Wins Legion Pee Wee Tournament

Bancroft Pee Wee hockey team won the sixth annual Pee Wee Tournament sponsored by the Stirling Legion at the Henry Street Arena on Saturday last. By virtue of their win they will hold the Major S. Fraser Trophy for the current year.

Eighteen teams were entered and Chairman Bert Bastedo and his assistants kept things moving from the opening whistle.

The opening game between Marmora and Stirling resulted in a 4-1 victory for the locals. In the succeeding games Frankford defeated Tweed 3-0; Norwood beat Madoc 3-1 and Bancroft downed Brighton 6 to 1.

In the second round Norwood defeated Stirling 4-1 and Bancroft put Frankford out with a 6-1 victory.

In the final game Bancroft defeated Norwood 5 to 2.

Engagement

Mr. and Mrs. William E. Vardy, of Stirling, Ont., announce the engagement of their youngest daughter, Donna Beverley Mae, to Mr. Arthur John Martin, son of Mr. and Mrs. George Martin, R.R. 1 Harold, Ont. Marriage to take place on Saturday, March 14th, 1964, at eleven o'clock in St. John's Anglican Church, Stirling, Ontario.

St. Andrew's Club

The regular monthly meeting of St. Andrew's Club was held at the home of Mr. and Mrs. R. D. Cooke, Church St., on Monday night.

Mrs. Don McIntosh, President, extended a welcome and led in prayer, after which Mrs. Lloyd Dafee gave the Scripture meditation. The Lord's Prayer was repeated in unison.

The remainder of the evening was spent in playing Court Whist, after which dainty refreshments were served and a social hour enjoyed.

Bowling Club Card Party

Nine tables participated in the play at the card party sponsored by the Stirling Ladies' Lawn Bowling Club at the home of Mrs. W. T. Elliott on Tuesday night.

The winner's prize for the ladies went to Mrs. Carman Fitchett and the consolation to Mrs. Maude Runnalls; for the gentlemen Bernard Farrell won the high prize and John Kane the consolation. The travelling prize was won by Mrs. Eugene Burrell.

Dainty refreshments and a social hour were enjoyed at the conclusion of play.

Stirling and Tweed Winners at Home

Stirling and Tweed Midgets won their home games in the league play-offs by identical scores, Tweed winning the first game on their home ice on Saturday night 4 to 3 and Stirling reversing the score at the Henry St. Arena on Monday night.

Game At Tweed

On Saturday night Tweed took a two-goal lead in the first period on counters by Allan Rivers from G. Rivers and Holmes unassisted.

The second period was scoreless, but early in the third stanza Barry Pyear put Stirling back into the game with an assist from Ken Smith. However Tweed again took a 2-goal lead on a goal by Quinn from A. Rivers. Ralph Parr scored unassisted for Stirling only to have Allan Rivers again dent the twine behind McPaul and made the score 4 to 2. Late in the period B. Pyear got his second goal from Harris to make the final score 4 to 3.

Sixteen penalties were equally divided.

MONDAY'S GAME HERE

On Monday night Stirling outscored Tweed 2-0 in the first period on goals by Ralph Parr and D. Ray from R. McIntosh. They increased their lead to 3-0 early in the second stanza with K. Smith scoring unassisted. Bancroft got the visitors' goal at the 5:42 mark on an assist from A. Rivers and the period ended with the score 3 to 1.

In the final canto Ray got his second goal from Parr at the 13:50 mark and the count was 4 to 1. However Tweed was not done and put on a strong offensive late in the period to notch two counters Bancroft getting both on assists from Quinn and Holmes.

Won On Saturday Night By 7 to 2 Score — To Meet Cooper For Group Title

Stirling Juveniles continued their winning ways with a 7-2 victory over Tweed in the second game of the two-off-three series in the league play-offs on Saturday night. The game was played in Tweed Arena before a good crowd of fans.

Stirling got the only goals of the first period with Wrightman scoring unassisted at 14:45 and Vandervoort counting, on an assist from Wrightman, at the 15:20 mark.

Early in the second period Tweed tied the score with goals by Gray and Long, but Donohoe gave the locals the lead at 14:35 and they were never headed. Wrightman and Pyear drew assists on his counter. Bosiak, unassisted, and Vandervoort, from Faulkner, made the score 5-2 at the end of the second.

In the final stanza Noble and Bosiak added goals to make the final score 7 to 2.

The line-ups:
Tweed — Goal, Cotton; def., Allore and Murphy; centre, P. Allore; wings, McCormick and Gray; alternates, Owens, Vance, Masters, Kelly, Long, McAllister, Brady and Hewitt.

Stirling — Goal, Morrow; def., Potts and Bosiak; centre, Faulkner; wings, Vandervoort and Wrightman; alternates, Noble, Donohoe, Svoboda, R. Sables, Pyear, Smith, Mason and Harris.

Referees — R. Utman and J. Fisher

Bantams Take First Game

Stirling outclassed Frankford in the first game of the play-offs on Monday night taking the game 11-0 at the Stirling Arena. D. Potts scored the only goal of the first period on an assist from D. Ray.

In the second period D. Armstrong scored 4 goals, D. Potts 2 and R. Hagerman 1. D. Ray and R. Bastedo each got assists.

R. Bastedo, D. Potts and D. Armstrong each scored in the third period.

Line-Ups
Frankford — Goal, Jowell; def., McCrory and Mikel; centre, Rowe; wings, Graham and Forbes; alternates, Goff, Duncan, Rupert, Hagarty, Forbes, Rouse, Bedard, Nicholson and Walchuck.

Stirling — Goal, Wellman; def., Carr and Jeffs; centre, Potts; wings, Ray and Armstrong; alternates, Harding, McKeown, Pyear, Bastedo, Hagerman, Spencer, Thompson, McMullen and Wilhelm.

Mrs. C. Wilson Hostess To R.V.W.I.

Mrs. Charles Wilson, Frankford Road, was hostess on Thursday, February 6th for the regular meeting of River Valley Women's Institute. There were twenty-three members, one visitor and five pre-school children in attendance.

Mrs. Vernon Harry opened the meeting with Mrs. George Heasman as pianist. Mrs. Ernest Carr presented her report. Mrs. J. R. Donohoe gave a full financial statement of the barn sale at Hord's and the pot luck supper. The proceeds from two card parties in January was \$34.52.

Correspondence included several messages of thanks and a very interesting letter from Mrs. Leonard Trivers, Provincial President, who stressed that each branch is a part of a national and world wide community. The Federated Women's Institutes of both Ontario and Canada have presented a resolution to Hon. L. B. Pearson urging that the Reg Ensign be the National flag of Canada.

Mrs. Trivers urged every Branch Institute to consider the International Scholarship Fund as it is the only provincial project this year.

Last year a set of questions was forwarded to each branch which was in the form of a census. About 780

branches responded and the compiled figures show a membership of 20,000 reporting. About 8,200 of these are actually engaged in farming and 4,200 are rural residents who are not farming. In the age group there are 11,000 members who are over fifty years of age. The census also gave a summary of the educational phase and said 250 are university graduates, 1,742 public school teachers, 500 registered nurses and many other interesting items re the Institute membership.

Conveners Reports

Mrs. Roy Tucker stressed the value of warm milk as a bedtime snack and for children.

Mrs. Jack Bush read various aims for mental health.

Mrs. John Beswick read a story on conservation and a message re Cancer Daffodil Day.

Mrs. Percy MacMullen for Public Relations said Mrs. James Haggerty, National President, has suggested that branches send coloured pictures as found in used magazines to the eleven new Institutes in the North. The natives who cannot read would enjoy looking at these pictures as many of them have few pleasures. F.W.I.C. has suggested that the 1964 International Day programme be centred around our Canadian North.

Ethel Chapman's book, "From A Roadside Window," was displayed and one member decided to purchase

a copy. All profits are for the Scholarship Fund.

Any Institute member wishing to visit Ireland and attend the A.C.W.W. Conference in September, 1965, must make her reservations now. A plane has been chartered to accommodate 135 passengers with plane fare at \$225 and a three week stay.

For Friendship Links Mrs. MacMullen gave a synopsis of the various programmes, outings and activities of Abbot's Leigh Institute, Bristol, England. They provide a four page bulletin of their year's work for each member at their annual meeting. Their closing paragraph stated that they exchanged Christmas gifts and corresponded regularly with their Link Institute, River Valley in Canada.

Mrs. Roy Tucker gave a message from the Countrywomen magazine telling how Mrs. Delfosse introduces teenage daughters of members who travel to another country for further study.

Another article was in memory of Mrs. Godfrey Drage who sponsored the W.I. movement in Wales. Later it was her idea to have a voluntary contribution for "The Pennies For Friendship Fund." She died in November, 1963, at the age of 87. At the recent Provincial Board meeting held in Toronto \$300.00 was donated to A.C.W.W. in her memory. The River Valley January Penny Fund was \$1.79.

Mrs. Roy Irvine gave a glowing account of the recent 4-H Club Achievement Day held in Belleville on the theme, "The Milky Way." The new 4-H Club will be centred on "Sleeping Garments." Mrs. Irven and Mrs. Gerold Brooks will attend the Training School next week.

The various groups have planned three card parties and a pie social at the school house for February and two card parties in March.

It was suggested that scrap books be fashioned of pretty pictures for the Eskimo women and children who cannot read. Perhaps someone will volunteer to do this work.

Mrs. Malcolm MacMullen was appointed to represent R.V.W.I. as one of the Lady Directors of the Stirling Agricultural Society.

Sixty dollars was voted to continue the support of a child in Germany. (Sponsor a Child Plan). This is the third year for the venture. One of our River Valley girls has offered to pay him a visit as she and her husband are stationed overseas.

Two years ago R.V.W.I. paid their one dollar per member fee to the International Scholarship Fund. At this meeting it was decided to send an extra ten dollar donation as it is such a worthy cause.

The coupon collector reported that the utility table had arrived. It was decided to begin saving 1,200 coupons for three insulated pitchers.

The Treasurer was authorized to buy a new supply of tea towels for the kitchen. A large dolly crocheted by Mrs. Clarence Chard was donated to the Institute. It will be forwarded to the District Secretary who will send it on with other branch gifts from Hastings West District. There will be a handicraft booth at the National Convention in Nova Scotia this summer. The proceeds from these gifts will be used to defray expenses.

Two new members, Mrs. Albert Wilhelm and Mrs. John Beswick, were presented with their Institute badges.

The Achievement Day for the Senior Training Group on the subject, "Focus on Finishes" will be held on Friday afternoon, February 21st at the Stirling Community Hall. This Institute has a group of eleven ladies.

The winter issues of Home and Country were distributed.

Mrs. Glenn Bush will be hostess for the March meeting and it is expected that there will be a tour of the Elaine Shoe Plant, Stirling, and an address on leather.

Programme

Mrs. Ernest Carr presided over the programme which she and Mrs. Roy Irven had arranged. All sang a few old favourites.

Mrs. Claude Tucker gave a very comprehensive paper on the making of soft soap from ashes and waste bits of pork grease and rinds as done years ago.

Miss Flossie Rosebush outlined how hard soap was manufactured by the pioneer women. The two articles were a revelation to the younger members who have never used anything except a box of detergent.

Mrs. Glenn Bush gave a timely message on the motto, "Everyday is like a pathway through the snow. Be careful how you step as the marks will show." She centred her message on the example of character.

The convener read a pioneer poem. Six ladies, Mrs. George Heasman, Mrs. Albert Wilhelm, Mrs. Roy Tucker, Mrs. Joan Bush, Mrs. John Beswick and Mrs. Vernon Harry contributed a musical selection.

The theme of the meeting, "Current Events" was outlined by Mrs. Roy Bush. She read various items from older magazines and then gave a synopsis of local current events in the Valley, Province of Ontario and Canada. These main features will be incorporated in the Tweedsmuir History for future years.

The convener contributed a very informative topic on the theme "Old Time Home Remedies" and their uses. This gave a glimpse of days gone by and showed the audience many interesting ideas of pioneer days.

Mrs. George Heasman contributed a medley of Valentine tunes. The roll call was centred on favourite books or magazines and provided a wealth of information.

Following the Queen and Institute Grace refreshments were served by Mrs. Roy Tucker, Mrs. MacMullen, Mrs. Percy MacMullen and the hostess. Mrs. John Kane voiced thanks for hospitality, programme and lunch.

I.O.D.E. Announces Short Story Competition

Mrs. W. R. Morrison, President of the Provincial Chapter of Ontario, I.O.D.E., announced today that a short Story Competition will be held and two prizes will be offered. First award \$100.00. Second award \$50.00.

The competition is open to writers, citizens of Canada, resident in Ontario.

Closing date of contest is April 30, 1964.

Dr. Frank Stilling is the judge for 1964. He was Dean of Arts and Science, University of Western Ontario, London; and several times was Chairman of the Governor-General's Literary Awards Committee.

Contestants are advised NOT to submit any manuscripts without first obtaining printed conditions. These may be secured by writing to:

Provincial Chapter of Ont., I.O.D.E., 168 Jackson Street, West, Hamilton, Ontario.

The Good Driver

Safety is so much wrapped up with courtesy that it is difficult to say where one begins and the other ends, says an editorial in the weekly newspaper Trentonian, Trenton, quoted by the Ontario Safety League.

In Safe Driving Week, in addition to the normal methods of educating the public, the aid of the churches was enlisted.

It is curious and interesting that when the question of encouraging an attitude towards safety is considered, the aid of religion is sought, perhaps it is not a bad idea, at that. We have tried just about every other device to solve the problems of the day, including reams of studies and psychology, and heavy reliance on educational material, as well as the normal penalties of the law for infractions.

Religion, which deals with the whole motive of living, has after all something to do with forming a person's attitude toward life as a whole. Where traffic safety is concerned, there is much needed an attitude of courteous concern for the welfare of others. It is the main missing ingredient in our traffic problems. Drivers who try to beat the light, turn first, squeeze into narrow corners, take chances with speed, fail to stop at signs, and who generally drive with complete disregard for all others on the road, are lacking in the first essential of safety, namely a sense of responsibility.

Courtesy is a part of that. It is the willingness to consider the other person's rights and safety.

There is really no way in which the law can get at attitudes. Perhaps that is why, as a sort of desperate last resort, the assistance of ministers of religion was sought to encourage a sense of responsibility for the conduct in traffic of their parishioners. And perhaps the last resort is really the best one, after all.

Mrs. Chas. Stewart Hostess To Rylstone W.I.

Mrs. Chas. Stewart was hostess to the Rylstone Women's Institute on Wednesday afternoon, February 5th at the Sunday School Room of Zion Church. There were 9 members and two visitors in attendance.

The meeting was opened by the President, Mrs. Stan Kerr, in the usual way with the Institute Ode and Creed. There was a display of antiques in lieu of a roll call and several interesting items were shown. It was the Historical Research meeting and was convened by Mrs. Percy Reid.

As there was no January meeting Christmas and New Year's greetings from the District President Mrs. Ed Holmes were read. On account of a

busy calendar for the following weeks it was decided not to hold a card tournament in aid of the hospital and to forego the Family Supper which is a semi-annual event. A letter was read from Mrs. Leonard Travers, President of the F.W.I.O. Thank you notes from sick members were also read. It was noted that fees for 1964 have been raised to \$1.00.

Mrs. Percy Reid convened the balance of the programme as follows: Reading, "The Man To Be," by Mrs. Don Kerr; "Kitchen Shower" contest conducted by Mrs. D. Kerr.

After lunch was served a geography match was enjoyed with Mrs. Carl Reid and Mrs. Jack Watson as captains. The meeting closed with the Lord's Prayer.

Enjoy Supper

The annual turkey supper was held
on Friday, February 7th and was
served by members of St. Andrew's
Presbyterian Church Club, of West
Huntingdon, to members of the con-
gregation and guests.

Following a delicious supper Mr.
Dodds conducted a worship service.
Two evening hymns were sung, fol-
lowed by a Scripture reading and
prayer.

Mrs. Harry Benson spoke words of
appreciation of the fine work done
by the Club in the past year under
the capable leadership of the Pres-
ident Mrs. Russell Sills.

Mrs. Benson introduced the guests,
Mr. and Mrs. Jack Parrott, of Belle-
ville, who showed slides of their
recent trip to Russia and Scandina-
vian countries. Included were pictures
of the Kremlin, old churches, new
universities and new apartment build-
ings. Mrs. Parrott acted as narrator.

These pictures proved to be inter-
esting and informative. Mrs. Barton
Haggerty on behalf of all present
thanked Mr. and Mrs. Parrott for
sharing their travels and experiences
with the people of St. Andrew's. Mr.
Dodds closed with prayer.

Ten Pin Bowlers Host To District

Competition was really keen at the Stirling Bowl-O-Drome this past week-end between teams from Trenton, Deseronto, Cobourg and Stirling.

Stirling again showed the way as they did in previous bowling at Deseronto by compiling a three-game total pinfall of 2277. Right on their heels was Deseronto with 2253, with Trenton only two pins behind them with 2251. Cobourg however did not fare so well with 2122.

Ralph Scea of the local team was in fine form, bowling both the high single of 204 and high triple of 526. Other good single games were bowled by Pete Zondrowski, Cobourg, 188; Norm Hawley and Bob Lewis, Deseronto, 187 each; J. Cooke, of Trenton, 181; Harold Johnson, Stirling, 179; F. Ellis, Trenton, 175; Barry Hewton, Stirling, 173.

Good triples were: Norm Hawley 501; F. Ellis 481; Barry Hewton 472; Pete Zondrowski 463; Ed Troian 461, and J. Cooke 458.

Next competition will see the Trenton team as hosts.

POTATOES — FAVOURITE FOOD IN MANY LANDS

Time-honored recipes using potatoes are found in family cookbooks around the world indicating that, although we think of potatoes as a North American favourite, the liking is almost universal. During serious food shortages, many Europeans subsisted largely on potatoes and yet the recipes handed down in no way reflect hard times. Potatoes are treated more glamorously abroad than here at home.

European homemakers give a gourmet touch to potatoes by adding mushrooms, cheese, sour cream and generous quantities of butter and eggs. Whipped potatoes are a favourite — shaped into balls and deep fried, rolled into croquettes, or piped from an icing bag to form a decorative border for meats and vegetables. Nutmeg, a spice not generally associated with potatoes here in Canada is used to season both mashed and fried potatoes.

"Pommes Berny", a dish served in Holland combines mashed potatoes, hot milk, eggs and nutmeg. Chilled walnut-sized balls of this mixture are dipped into egg, rolled in chopped almonds and deep fried. In Pakistan, potatoes are used with hard-cooked eggs, almonds, raisins, and lemon juice to stuff a Yoghurt marinated chicken. In Ireland, when potatoes and greens are combined, it's called "Colcannon." Chopped boiled cabbage and fluffy mashed potatoes make an appealing blend of flavour and texture.

Crisp fried potatoes done Swiss style are called "Potatoes Rosti." These are easily made at home. The potatoes are partially boiled in water, then peeled and sliced thinly. Overlapping layers are arranged in a heavy frying pan in which plenty of butter has been melted. The potatoes are pressed down occasionally while frying and seasoned with salt, pepper and nutmeg. When brown on the bottom, the crisp layer is turned out on a platter, crusty side up. The Swiss make a meal out of "Rosti."

Cooking Comments

Cheese, because it is made from milk, is an excellent source of calcium. A two-inch cube of Cheddar will provide the day's requirements of calcium, say Nutritionists at MacDonald Institute, Guelph.

Cheese contains high quality protein. One half cup cottage cheese contains the same amount of protein as one average serving of roast beef.

As cheese requires little cooking, combine it with foods already cooked, or those requiring very short cooking. Cook all cheese dishes at a low temperature.

Cheese should be cooked only to the boiling point of melting. Overheating causes cheese to become curdled or stringy.

OF MANY THINGS

(By Ambrose Hills)

HOW TO FACE A CRISIS

Someone, in talking about evangelist Billy Graham, doubted that he preached "a philosophy acceptable to our times." I read that criticism and it bothered me. We streamline our automobiles and change our furniture styles, but must philosophy come in a new model each year?

I don't think so. I find the philosophy of Emerson true today, and the Sermon on the Mount needs no new curlicues.

It seems to me that if I were deeply troubled, I would not reach out, quickly, for the latest in philosophy. I would go back to the old maxims.

What better way to face a crisis than to remember the old injunction that sufficient unto the day is the evil thereof? Every time I bump into some of the hard facts of life, I go back to that old advice and try to live my life one day at a time, looking neither backward nor forward. I get out Sir William Osler and read him again, for that was the philosophy that guided his life.

Mankind has battled for so long — generation after generation — that virtually every crisis we ordinary men must face has been puzzled over and faced a thousand times by others. Some of the most gifted have written down in detail, the attitude that helped them most. It seems to me that these attitudes are as valid now as they were when Caesar ruled, and when Christ walked among men.

Some planning for the future may be necessary and prudent, but a plan, if too formalized, has limiting effects. To some extent it closes the mind, and closes the door to alternatives that might in a flash make the plan obsolete.

For what it is worth, my advice to those in trouble is to go right back to the old philosophy. Live the day before you, trying to love your fellow man, knowing that we all face personal trials and tragedy. Plan in only the most general way for the days ahead, and grieve only in the most general way for the days behind. Live today the best way you know how — and that's plan enough for any man.

I.O.D.E. Is 64 Years Old

The I.O.D.E. (Imperial Order Daughters of the Empire) celebrate their 64th birthday today, Thursday, February 13th.

At Founder's Day meetings from coast to coast, the Order's 976 chapters will recall its growth from a small group of Canadian women supplying clothes for Boer War soldiers, to a National voluntary organization raising over \$1,000,000 for education, emergency welfare, and other community services.

Activities in the educational field, where more than \$350,000 is spent annually, have been expanded within the past two years to include a school adoption programme in Canada's Far North.

Sixty-two schools and eight hostels in the Yukon and Northwest Territories have been adopted. Forty-two schools in Northern and Southern Labrador, and thirty-four remote and isolated schools in Newfoundland, have recently become part of this project. The I.O.D.E. school adoption programme now extends from the Atlantic to the Pacific and from the Arctic to the Caribbean. School adoption involves gifts of new libraries, library additions, prize books, visual aids, recreational and study material.

The I.O.D.E. continues its work to support Canadian arts. The National Chapter has recently presented a \$500 bursary to the bicultural National Theatre School of Canada for students completing acting and production courses, and thirty books for the library of the National Ballet School of Canada.

\$64,000 was awarded from I.O.D.E. First and Second War Memorial Funds for 12 Post-Graduate scholarships (Overseas) valued at \$2,000.00 each, and 25 bursaries at \$1600.00 each, in Canadian universities for children of Canadian war veterans.

On welfare services, four hundred thousand dollars (\$400,000.00) is spent in Canada, and one hundred thousand dollars (\$100,000.00) for supplies to the needy which are shipped to Europe, Africa, Korea, The West Indies, Hong Kong and India.

Through the tireless efforts of the members, thousands of knitted and sewn articles of clothing are made for distribution. Chapter members give countless hours of service of institutions such as the cerebral palsy, blind,

retarded, blood donors and Canadian Friendship Centres.

The Eskimos in the Canadian Arctic are now the proud owners of three community halls which were a National I.O.D.E. project. They are located at Frobisher Bay in the Eastern Arctic, Tuktoyaktuk in the Western Arctic, and the final one, completed and opened last summer at Baker Lake, is in the Central Arctic.

The I.O.D.E. is fighting for equality for Canadian Indians. A Brief was presented this past year to the Minister of Citizenship and Immigration, urging the government to extend its work by initiating a research programme in co-operation with Canadian universities, which would cover not only the field of education, but all aspects of the life of our Indian citizens.

The I.O.D.E. is raising a maximum of \$50,000.00 for the National Fund known as the "I.O.D.E. Canadian Centenary Fund." Disposition of this fund will be decided at the 1964 National Annual Meeting.

Today, the I.O.D.E. is one of the largest voluntary women's organizations in Canada. In this fast changing world it strives to keep pace through education, promote unity within the Commonwealth, and give service to the needy.

Provincial News

Three new Chapters have been formed in Ontario this year.

The Provincial Chapter of Ontario, I.O.D.E., is offering, in 1964, two \$500 Fellowships to students enrolled in, or about to enroll in, a recognized school of social work, in this Province, in a course leading to the Degree of Master of Social Work. This is the first time the Provincial Chapter of Ontario has ventured into this specialized field and it is hoped that these awards may stimulate a profession primarily dedicated to serving humanity in its broadest sense.

Hastings and Land O' Lakes Tourist Region Monthly

Hastings and Land O' Lakes Tourist Region No. 11 Council held their February meeting at the Court House in Nanapanee.

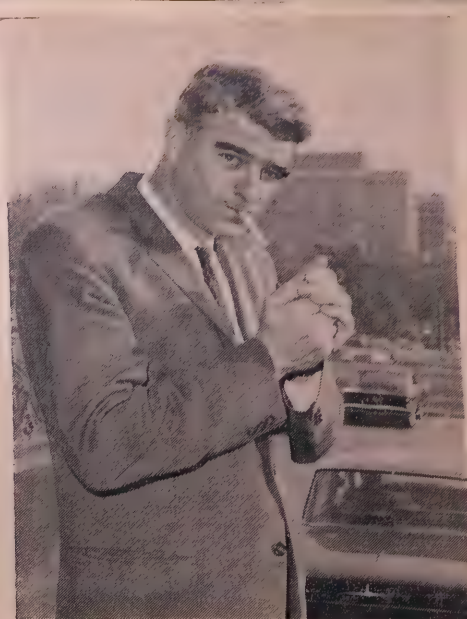

Representatives from Hay Bay, Mr. and Mrs. Percy Hawley and Mr. Bruce Huyke met with the Council to discuss their position in the Region. The Hay Bay area has recently joined the Land O' Lakes section of the Region.

President Grant McKittrick advised that Hay Bay were now participating in a \$13,000.00 a year promotional programme. This money comes from brochure advertising, Council and Government grants. Arrangements were made for a tour of the southern part of the Region for the purpose of allocating Regional signs in the Hay Bay, Nanapanee and Belleville area.

Booth at Sportsmen's Shows

Plans were made for an exhibit booth at the Sportsman Show in Toronto and it was decided that the Region would also set up an advertising exhibit at the Cleveland Sportsman Show. The Belleville Home and Sports Show was discussed, the general opinion of the meeting was that it was a very worthwhile venture last year.

The meeting closed with a vote of thanks to Mr. Al Woods, District Inspector of Travel and Publicity, and to the County Officials for the use of the Council Chamber at the Court House.

BACK IN PUBLIC

Frank McGee, appointed to the cabinet as minister without portfolio just before the last federal election, is host of CBC-TV's new public affairs programme, The Sixties, seen

Sundays. The series from Ottawa "reflects the restlessness" of this decade and features leaders of industry and the professions from Canada, the U.S. and Europe.

of U.C. House and the Fred Victor Mission.

Mrs. Orval Jackson thanked the hostess and all who helped with the programme. A hymn and the benediction closed the meeting.

Winner of Ontario Hydro's 1963 award for excellence in rural news reporting is Mrs. Mollie Vidler, of Eriau. On her behalf, Russell Shearer, right, editor of the Blenheim News-Tribune, accepted the plaque presented by James A. Blay, Hydro's Director of Public Relations, at the annual convention of the Ontario Weekly Newspapers Association in Toronto on Feb. 7. Mrs. Vidler has been reporting the news of Eriau in the Blenheim News-Tribune for more than 40 years. Her "Open Letter from Eriau", started early in World War II, served as a clearinghouse for local news of interest to servicemen overseas.

8,800 Cows Bred Artificially In Hastings County

Selective Service to ten different breeds of cattle, all telephone calls for service paid for customers, and continuous service 363 days of the year, is the type of artificial insemination service wanted by farmers in Eastern Ontario.

Members of Hastings County learned at their local meeting in Stirling on February 3rd that 124,273 cows were bred by Eastern Breeders Incorporated during 1963. 8,300 of these cows were in Hastings County. 19,775 were bred from the local Branch Office at Belleville which has Wm. E. Potts as its Branch Supervisor.

Mr. C. A. Campbell, President of E.B.I. from Arnproir, Ontario; Dr. J. M. McLean, General Manager and Dr. R. G. Smiley, Assistant Manager from Kemptville, addressed the meeting, along with the local officers Allan McComb, of Belleville, County Director, and Hugh Gray, of Belleville, Holstein County Representative.

To continue the proving of bulls and their use for further improvement of members' herds, an increase of 75c will be made in the service fee effective March 1st. It was pointed out that the 75c increase can be paid for on 29 cows by the extra milk produced by one daughter from Lassie Leader, one of the top proven Holstein sires presently in service.

Election of Officers

In the election of officers, Allan McComb, of R.R. 5 Belleville, was re-elected the Hastings County Director. Hugh Gray of the same address was re-elected the Holstein County Representative. Secretary for the group is Hudson Ketcheson, of R.R. 5 Belleville. The Voting Delegates elected were: Horace Knight, R.R. 5 Belleville; Robert Burkitt, R.R. 2 Frankford; Frank Foster, R.R. 2 Tweed; Lorne Hagerman, R.R. 2 Harold, and John Caskey, of Madoc.

The Alternate Voting Delegates elected were Percy Reid, of R.R. 2 Campbellford; Harold Bush, of R.R. 4 Stirling; Burrill Hamilton, of R.R. 5 Trenton; Harold Dettlor, of R.R. 4 Stirling, and Wesley Finch, Harold.

To Hold Meeting To Discuss Egg Plan

Suggestion of the Ontario Poultry Producers' Association that an egg marketing plan be established in Ontario will be discussed at a series of meetings to be held in various sections of the Province by the Ontario Farm Products Marketing Board, has been announced.

Officials of the Farm Products Marketing Board said that the hearings would open on February 27th and continue to March 6th, when various parties interested in the egg industry will be given the opportunity of submitting their presentations in respect to the proposal.

The Ontario Poultry Producers' Association has requested the implementation of a marketing plan which would provide facilities to promote and advertise the sale of eggs, permit necessary research, and provide for a development program. It is also sug-

gested that provision be made for a study of a plan to negotiate terms, conditions, agreements, charges, and costs relating to the costs of production and marketing of the product. It is also suggested at the same time that an Industry Advisory Committee be established.

The method of financing the proposed program will also be discussed at the meetings.

Representatives of the Farm Products Marketing Board will explain the proposal at the various meetings in order that the producers will have an opportunity to consider all aspects of the proposed plan.

Meetings to be held by the Board, all of which will start at 1:30 p.m., in this area are as follows:

Kingston — Wednesday, March 4, Oddfellows Hall, 394 Princess Street.
Peterborough — Thursday, March 5, Memorial Center, Exhibition Grounds.

CONSERVATION NEWS

WINTER ICE FISHING

Winter anglers are reminded that they must have their name and address clearly shown on the outside of their fishing huts. Conservation officers will be checking huts from time to time throughout the winter, so please make sure that you have your name and address affixed on the outside of your hut in a conspicuous place where it is clearly visible.

If you cut holes in the ice be sure before leaving you place a marker in the hole.

Tree cutting along shorelines of lakes is prohibited. Use an oil heater in your fish hut. If you are fishing in the open and require warmth, use only dead or fallen wood for your fire.

If you carry boxes, cans or bottles out on the ice, carry them off when you leave. Don't drop them down the hole—this only litters the bottom shoal area, and in turn could deter fish from using it, thus you may have to move your hut to a new spot.

Littering the ice surface is a sign of poor housekeeping. This litter sometimes floats in along the shorelines at the time of the spring breakup, and not only appears unsightly, but presents a hazard to swimmers during the summer.

The observance of the simple rules as set out will go a long way towards the retention of winter angling in the district.

Game fish that may be taken during the winter months in Tweed Forest District are as follows:

Walleye — May 15th to March 31st, except the Bay of Quinte where the season opens May 1st to March 31st.

Northern Pike — May 15th to March 31st, except the Bay of Quinte where there is no closed season.

Lake Trout — Counties of Hastings, Lennox and Addington and Frontenac, March 1st to October 5th, except South Renfrew County where the season opens November 6th and closes October 5th.

Brook Trout — March 1st to September 15th

Whitefish — No closed season

Limits of Catch

Walleye — 6 in one day

Pike — 6 in one day

Lake Trout — 5 in one day

Brook Trout — 10 pounds, plus one

fish, or 15 fish, whichever is the lesser.

Whitefish — No limit
All ice huts must be off the lakes by March 31st.

THE BIBLE TODAY

The sixtieth anniversary of the Canadian Bible Society is being observed during 1964. Formed in Toronto in March, 1904, when representatives of the various Bible Societies and Auxiliaries of The British and Foreign Bible Society across Canada came together, the Society has now grown to become the third largest of the 23 national Bible Societies of the world.

A special sixtieth anniversary church service will be held in Toronto on Tuesday, March 10th, 1964. Representatives of the major Protestant and Anglican Churches will participate. The preacher will be the Very Reverend Angus J. MacQueen, B.A., B.D., D.D., LL.D., former Moderator of the United Church of Canada, now minister of First-St. Andrew's United Church, London, Ontario.

Special services will be held across Canada to commemorate this event. A colour and sound motion picture entitled "Cornerstone of a Nation" has been produced in connection with this anniversary. The Gospel of John with a commemorative cover has been issued of which 100,000 copies will be distributed in hospitals, jails, hostels and evangelistic services. A plan has been published to encourage people to read the Bible through during the sixtieth anniversary year.

In addition to these efforts the Canadian Bible Society has pledged to provide \$600,000 as its contribution to translation, publication and distribution of the Holy Scriptures. This is an increase of 50% over any previous year.

A WINTER PARADISE

One of the most ardent and active winter sports enthusiasts with whom I am acquainted is Dennis Stone, Regional Supervisor, Ontario Department of Travel and Publicity, Huntsville. I chatted with Dennis in his office for a considerable length of time during my most recent trip to Muskoka and much of the conversation centered around winter sports. A product of the Kenora district, Stone has spent most of his years in areas where heavy snowfall is the rule rather than the exception. He skis himself, and when not skiing, or promoting Ontario (he seldom stops), he can be found taking pictures, for Dennis is a photographer of professional calibre and his snow scenes are exceptional.

To sit and talk with a man like Dennis Stone is always a worthwhile experience. He is molded of the same stuff that enabled our forefathers to push back forests, tame rivers and lay the foundation on which we of the 20th Century build. Dennis is not a nine to five man, it's not his role. He must work round the clock and does to promote Ontario's year-long tourist industry.

Situated as he is in Huntsville he has been in on the ground floor so to speak of the recently created Muskoka winter tourist industry. Muskoka has had snow longer than Sophie Tucker has sung "One of These Days," but for eons they didn't know what to do with it. It has only been within the last few winters that men of vision began to realize that the Muskoka winter could be fun for visitors and profitable for tourist resort operators and businessmen. Just three years ago there were only 3 rope tows operating in Muskoka. Today there are T-bars, Poma lifts and chalets the like of which few have ever seen. The rope tow, in Muskoka at least is fading into obscurity, with big lifts and fabulous chalets in their place. You can find the new look in winter resorts, just as I did, simply by hopping into your car and motor-ing to such places as Gravenhurst,

Bracebridge, Huntsville and Port Sydney.

Much of the winter sports activity in Muskoka centers around Huntsville, in that real snow belt so close to Algonquin Park. Here you will discover the kind of skiing and ski resorts that are attracting so many skiers from Southern Ontario — Hidden Valley, Tally-Ho, Limberlost and a score of smaller establishments. At Hidden Valley, which appears to possess the most challenging of all Muskoka slopes I met General Manager Bill Waterhouse and ski professional Ken Lassister. Both seem to be especially popular with guests and from all reports Lassister rates as a top-notch ski instructor. I was impressed with the attention given visitors and with the constant work being done on the slopes by workmen. Hidden Valley I learned is a tourist attraction twelve months of the year, attracting countless visitors in the off-skiing season, particularly fall travellers anxious to see the Autumn foliage from the great height of the elevated ski chair.

Tally-Ho Ski Resort, nearby, is another of Ontario's finest ski places, featuring instruction by John Deraul, of Salzburg, Austria. John has had several years of teaching in Austria and the United States as well. Deraul heads a six-man staff of instructors at Tally-Ho, offering excellent instruction to beginners, intermediate or advanced skiers. Children's classes are also featured.

Most of the ski resorts within Muskoka feature chalet ski shops, where one can purchase or rent ski equipment and supplies. Inside recreation and entertainment attractions of a family nature also prevail. Good food for hearty cold weather appetites is the order of the day at the Muskoka ski resorts recently visited by the writer.

Of all Muskoka communities, Huntsville is perhaps most favoured in that it is the centre of a popular ice fishing area, and home of the winter sports car racing events known locally as "Dice on Ice." Lake trout and whitefish catches have been good

this winter and Jim Beattie, manager of the Empire Hotel at Huntsville and a newly converted ice fisherman passed along some glowing whitefish reports to this columnist.

Coming away from Muskoka I found my thoughts filled with the wonder of it all — skiers, fishermen, sports car fans, all turning out in droves to enjoy old man winter as perhaps he has never been enjoyed before. What a tonic is must be to one's health and what a lift to the Muskoka economy. Little wonder that skiing in Ontario increased in popularity by 25 per cent last year, and that motels, lodges, etc. are making available winterized accommodation. Even private cottage owners are thinking twice about the style of cottage they buy or build in the Muskoka Lakes district. Cottages now are being winterized for winter use and feature roof angles to withstand severe snow load. Two such places in the twenty thousand dollar class are now going up near Muskoka Sands at Gravenhurst. They are of the popular Viking Vacation home design by Paul Hedegard, of Port Credit, and are admirably suited to winter in Muskoka.

Yes, in Muskoka they are taking snow and turning it into money instead of snow balls. But its just the beginning of Ontario's winter tourist industry. For as they say in show business — You Ain't Heard Nothing Yet!

Levy For High School Purposes Reduced One Mill by H. S. Board

1964 Budget Approved At Regular Meeting Monday — To Purchase Equipment

Good news for the taxpayer emanated from the monthly meeting of the Stirling-Rawdon District High School Board on Monday night when the 1964 budget calling for a reduction of one mill in the levy on the municipalities concerned was adopted.

This decision was reached after a lengthy discussion in which all aspects of the financial standing of the School Board were talked over. The estimated expenditures amount to \$154,000 comprising \$97,000 for instruction; \$8,000 for instructional supplies; \$6,000 for administration; \$10,500 for plant operation; \$1,500 for auxiliary services; \$1,500 payment to other boards; \$23,500 for transportation; \$3,500 for extraneous payments, and \$1,000 for bank interest. The estimated revenue from all sources was \$168,254, and the amount to be raised by taxation \$51,902.

Of the latter amount Rawdon Township will raise \$24,919.50; Sidney Township \$9,534.66; and Stirling \$17,448. In addition there are the annual debenture payments amounting to \$79,847.26; with \$38,333.15 from Rawdon; \$26,837.56 from Stirling and \$14,676.55 from Sidney, charged against the cost of education.

Chairman A. R. Mallory presided and was supported by Dr. R. B. Murray, D. W. Rodgers, Jas Johnston and Harry Morrow.

Dr. R. B. Murray, Chairman of the Teachers' Committee, gave a brief report on the applications received for the position of Principal of the school.

Mr. J. B. Belshaw addressed the Board in the interests of the Stirling Horticultural Society, pointing out the benefits derived from having several of the teachers or Board members as members of the organization. No action was taken for the present.

Joe Irish, caretaker, reported on the care of the school during the past month and minor repairs made.

J. W. Bakker, of the staff, advised the Board that plans were under way for an evening in honour of the retiring Principal by the students and members of staff. A variety program would be presented with each form having a part. The support of the Board for such an event was granted on motion of Dr. B. Murray and Jas. Johnston.

Principal J. L. Good reported the visitation of two inspectors. The purchase of two reference books and six tapes in Grade 11 French were authorized on motion of D. Rodgers and Dr. B. Murray. The Principal also reported on the need for a new radio to make broadcasts in French from Toronto available to the students. This matter was left in the hands of the Property Committee.

Correspondence included letters from the Public School Trustees' Association of Ontario; Ontario Secondary School Teachers' Federation, and Ontario Department of Education.

G. Gordon Bailey, Secretary-Treasurer of the Board, was granted an increase of \$100 in salary.

Meet to Discuss Artificial Ice

All persons interested in artificial ice for Stirling Arena are asked to attend an important meeting to be held in the Stirling Legion Hall next Sunday, February 22nd at 2 p.m.

Representation is expected from the municipalities of Stirling, Rawdon, Sidney and Huntingdon, as well as Stirling Rotary and the curlers of the area. It is hoped to set up an Artificial Ice Fund Finance Committee and also other committees which may be needed.

Your interest and support means much to the success of this venture. Don't forget the date — next Sunday, February 22nd at the Legion Hall, 2:00 p.m.

Residents Injured In Car Accidents

James Edgar, who is employed at McFarlane's Garage, suffered facial injuries and multiple bruises on Sunday when his car went out of control and hit a pole at Odessa. There were no other occupants in the vehicle.

Gary Foshay, 17, and his 6-year-old cousin, Marlene Foshay, Frankford Road, suffered severe injuries in an accident just north of this Village on Highway No. 14 on Sunday. The driver is alleged to have lost control of the car when it hit a snowdrift, spun across the highway and after hitting a hydro pole flipped on its top. The former is in Belleville Hospital suffering from a broken jaw and pelvis and other injuries. Miss Foshay suffered a broken collarbone and is recovering at home.

The following accounts were passed for payment on motion of Dr. R. B. Murray and Harry Morrow.

Stirling Lumber, \$89.59; Harry Morrow, \$20.00; Dr. R. B. Murray, \$15.00; J. L. Rawdon Township Ratepayers in Favour Volunteer Fire Department

A well-attended meeting of ratepayers of Rawdon Township to discuss the formation of a Volunteer Fire Brigade was held in the Township Hall, Harold, on Tuesday night.

Reeve Frederick Beckett occupied the chair and H. Mallory of the Fire Marshal's Office was the main speaker of the evening. He gave a very comprehensive outline of all that is entailed in the formation of a Fire Brigade. He also spoke on the Mutual Aid Association and the benefits derived from membership. Two films on fire fighting were shown.

Brief addresses were also given by Fire Chief G. C. Mouch, of Stirling, and Fire Chief Cecil Neal, Marmora.

A request for volunteers for a Township Fire Brigade resulted in the submission of some thirty-five names. The Council will hold another meeting on Friday night of this week, at which Mr. Mallory will be present, for further discussion of the project.

Council has under consideration plans for the erection of a suitable building to house the equipment at Spring Brook.

Juveniles Take Two Straight Games

Stirling Juveniles won their second straight game from Cooper on the latter's home ice on Monday night in their play-off series. A good crowd of fans witnessed a thrilling game which ended in a 7-4 score. The third game of the best of five series will be played in the Stirling Arena on Monday night.

In Monday's game the home club took a three-goal lead in the first period. McCann got the first one early in the game and Griffin and J. Chapman the others about the midway mark.

In the second period Stirling put on a sustained offensive and tied the score. Wrightman got the first at 1:33 on a pass from Vandervoort. Two minutes later Smith beat Bailey on an assist from Donohoe, and at the 7:09 mark Vandervoort counted with assists going to Faulkner and Wrightman. There was no further scoring in the period.

Wrightman, from Faulkner, gave Stirling the lead for the first time in the game at 1:30 of the final stanza. Noble, from Smith, Smith from Noble, and Vandervoort from Wrightman, were the other Stirling scorers in the period. Griffin got the final Cooper tally with assists going to J. and T. Chapman. The final score was 7 to 4.

Won Driftwood

Mrs. Bernard Farrell was the winner of the draw for a driftwood centre piece at Livessy's Red & White Market on Saturday. Frank Broekema drew the lucky ticket.

Midgets Tie With Tweed

The third game of the league semifinals between Tweed and Stirling ended in a 2-2 overtime tie here last night, making an extra game necessary.

Tweed opened the scoring at 5:45 with a goal by Bancroft. Ray for Stirling evened the score 8 minutes later unassisted. Smith put Stirling ahead at the one minute mark in the second period, assisted by Pyear and Harris. Bancroft, for Tweed, got his second goal of the game at 12:55 to tie the score.

Donald Blair, Holloway, High Man in County Seed Judging Competition

Fifty-Six Boys and Girls Participated — Held At the Local Oddfellows Hall

Donald Blair, Holloway R.R. 1, was high contestant at the Hastings County Seed Judging Competition which was held on Tuesday, February 18th, in the I.O.O.F. Hall, Stirling. Some fifty-six boys and girls participated in the competition and each was required to judge and give oral reasons on a class of oats, alfalfa seed and mixed hay. In addition they identified ten forage seeds, ten forage mounts and twenty weed mounts. Three agricultural quizzes on crop production and management were answered by the contestants.

The competition was directed by Sidney MacDonald, Agricultural Representative, and Lyall MacLachlan, Assistant Agricultural Representative for the County of Hastings. They were assisted by Agricultural Department personnel from the neighbouring counties.

Contestants were divided into four groups, Novice, Junior, Intermediate and Senior, according to age and experience. Following are the three high contestants in each group.

Annual Father and Son Banquet Commemorates Founder of Scouts

Legion Presents New Cub Flag To "B" Pack — Short Programme Was Enjoyed

The annual Boy Scout and Wolf Cub Father and Son Banquet was held in the Community Hall on Tuesday night, commemorating Lord Baden-Powell, the founder of the Scout movement.

Following the singing of Grace and "The Queen" St. Paul's United Church Women served a delicious meal. Allan Lawes, President of Stirling Legion, the Scout sponsors, acted as chairman and briefly outlined the history of the Boy Scout Movement in Stirling. The Board of Education was the first sponsor in 1930 and were followed in order by Citizens Group in 1937; I.O.O.F. in 1939 and Legion in 1952.

Graham C. Mouch led in community singing with Mrs. R. B. Murray at the piano, and Bruce Woodbeck proposed the toast to "the Fathers." The response was given by Robt. Philip. Elwood Wilson expressed thanks to the ladies and Mrs. D. Duffin replied.

Presentation of Awards

The following awards were presented:

"A" Pack
Second Stars — Peter West, David Stapley, Tony Svoboda, Ricky Wright and Ken Burfoot, by Douglas Robson; Jim Cooke, Keith Richardson, Bruce Philip, Sonny Farrell and Doug Faulkner, by Jim Haggerty.

First Stars — Charles Seeley, David Robson, David Charlesworth, Ricky Farrell, Charles Loucks and Fred Smith, by Mrs. J. Svoboda.

Some twenty badges were presented by Akela of "A" Pack, Mrs. B. Woodbeck, including the 14th Badge to Doug Irish and Jim Rawlings. This is the maximum number of badges any Cub can receive.

"B" Pack
Second Stars were presented Douglas Murray, Stephen Crossman, Danny Jones, Gordon Morton, Ken Rae, John Rodgers, John Williams and Richard Camm by Mrs. B. Murray and Ken Cooke.

First Stars were presented Michael Hunter, Tommy Reynolds, Gregory Anderson, John Mouch, Stanley Meeks, Douglas Morton, Allan McCrory and Roger West by Mrs. Don Williams and Mrs. K. Cooke.

On behalf of the Stirling Legion R. K. West made the presentation of a new Cub Flag to "B" Pack to the Scout Chairman C. E. West, who in turn gave it to Mrs. J. Irish, the Cub leader.

Scoutmaster Ronald Woodbeck announced that 89 proficiency badges had been won by members of 1st Stirling Patrol during the past year but time did not permit the presentation at this time.

Joe Irish, District Scout Commissioner, spoke briefly and pointed out that there were 30 Scouts in 1930 at the organization of the Troop and at present there were over 100 members.

C. E. West voiced the appreciation of his son, Bill, for the privilege of attending the World Scout Jamboree at Marathon, Greece, during last summer.

Short Programme

A short programme was presented by the Scouts and Cubs in the Theatre. "A" Pack gave a skit on "The Union Jack and how it was formed," followed by a trumpet and clarinet selection by Danny and Paul Jones, accompanied by Mrs. B. Jones. "B" Pack members rendered several songs and several Scouts gave a pantomime number of "The Beatles." Doug Faulkner rendered a solo, accompanied by Mrs. B. Woodbeck and the singing of "O Canada" brought the evening to a close.

Local and Personal

Mrs. Beatrice Farrell, of Grimsby, has been the guest of Mr. and Mrs. Earl Luery for the past two weeks prior to leaving for a three-week holiday in the Barbadoes.

Mr. and Mrs. J. B. Belshaw and Mr. and Mrs. C. B. Rollins attended the 25th wedding anniversary of Mayor Morley Tanner and Mrs. Tanner, Campbellford, on Sunday.

Bonarlaw Student District Winner In Public Speaking

Patsy Jane Wilson, of Bonarlaw Public School, S.S. No. 5, Rawdon, took first place in the Public Speaking Contest held Wednesday evening, February 12th, in St. Paul's United Church Sunday School room. Her topic was "Why I Like to Read."

Mona Aida, a Grade 7 pupil of Stirling Public School, placed second with her subject, "The Story of Electricity."

A large number of parents and friends turned out to hear the ten speakers and everyone was most favourably impressed with the fine quality of the speeches and the eloquent manner in which they were delivered.

The Rev. P. J. Hommersen fulfilled the duties of chairman. At intermission and during the judges' conference time, a group of sixteen musicians of Stirling Public School entertained with band numbers under the baton of Mr. Maurice Bell. Paul Jones rendered two trumpet solos and Tony Svoboda and Danny Jones, a clarinet duet.

Judges for the contest introduced by Mr. Marvin Scott were: Mrs. S. Hayton, Foxboro; Mrs. C. Thompson, Harbord Station; Mrs. F. Potts, Campbellford; Mrs. C. Spry, Marmora, and Mr. L. Jones, B.C.I.

The speakers and topics were: Patsy Jane Wilson, "Why I Like to Read;" Mona Aida, "The Story of Electricity;" Brenda Campbell, "Fire — Friend or Foe;" Vickie Hay, "Madame Curie;" John Kinn, "The Story of Electricity;" Carolyn Merrick, "Ontario, Yesterday, Today and Tomorrow;" Judith McAdam, "Dr. Frederick Banting; Leola Redcliffe, "Madame Curie;" Glen Spencer, "Dr. Jenner;" Ann Watson, "Know Canada Better."

Prizes donated by the Hastings No. 3 Activity Group were presented by Mrs. G. Heath. The two winners in this contest will proceed now to the Inspectorate Finals to be held in Madoc on Thursday, February 27th.

Passes Music Exams

Unit Four St. Paul's U.C.W.

Mrs. Harold Wells, leader of Unit Four of St. Paul's United Church Women, opened the February meeting with the theme hymn and the Lord's Prayer. The roll call by Mrs. Ross Bush showed a splendid attendance. Following the report by the Secretary, Mrs. E. Warren, the treasurer gave her report and reminded the ladies of their Easter thankoffering envelopes to be brought in next month.

Various other secretaries also reported and Mrs. Wells mentioned several items of importance arising from the executive meeting of the General U.C.W. held recently.

The following announcements were made: The Easter meeting is in charge of Mrs. S. Elliott, Mrs. C. Launing and Mrs. H. Donnan. The visiting team for February is Mrs. C. Tucker and Mrs. N. Flindall.

The devotional part of the meeting was conducted by Mrs. Ray Rose, with assistants Mrs. D. Luery, Mrs. R. Christie, Miss M. White and Mrs. A. Packman. The theme chosen was "The Bond of Peace," with the lessons taken from Ephesians 4: 1-16, Psalm 73 (the Benjamins) was read responsively. Mrs. Rose closed the devotion with a poem and prayers from the January Reader's Digest. The offering was received by Mrs. M.

McMullen and Mrs. N. Flindall. Mrs. D. Luery was then asked to present the missionary study which she did in her usual capable way. She brought to the women an interesting picture of India as it is today. By use of a map, boundaries of India were shown. East Pakistan, West Pakistan and Burma. Eighty per cent of these people live in villages, the chief occupation being the farming of rice, tea, wheat, cotton and jute. India is very rich in natural resources. The farmer and his family play an economic role throughout the entire country. Mrs. McMullen, Mrs. Packman and Miss White assisted in describing various centres of Christian work.

(1) The Women's Christian College of Madras with 1054 women students enrolled. These include Hindus and Moslems as well as Christians. (2) The medical college at Ludhiana. (3) The Vellore Medical College where 350,000 are treated yearly in a 700 bed hospital and as outpatients. This is the work started by Dr. Ida Scudder in whom our women have been most interested. (4) The theological work is under Baptists, Anglican and the United Church of Canada. At Ratlam our friend, Miss Muriel Stephenson is stationed.

Following this splendid account of the scope of work carried on by the Christian Churches in India, Mrs. Wells asked some of the women to

tell about the bus trip made to Toronto in order to see some of our church work in the various avenues of service.

Mrs. M. Aythart's story of their visit to the Fred Victor Mission was next best to really being along with her. This mission started in 1886 as a small Sunday School Class. Truly, from tiny acorns great oaks grow. She told also of the trip to the Supply Depot and meeting Mrs. Carruth. From this Depot 162 tons of clothing was shipped last year. We are thankful to have had some share in this.

Mrs. Hommerson touched on the highlights of their visit to the new United Church House on St. Clair East, Toronto, showing pictures of various parts of the building. She also visited the Book Room but time did not permit further description of that.

This closed the meeting and Mrs. Wells asked Mrs. Packman who is always a welcome visitor at St. Paul's to pronounce the benediction.

After a pleasant social hour Mrs. W. Camm voiced appreciation of the ladies for so interesting a meeting and the enjoyable fellowship of the tea hour.

" 'Tis not the dying for a faith that's so hard; 'tis the living up to it that is difficult," wrote William Makepeace Thackeray, the English novelist.

Stirling Bantams Eliminate Frankford In Semi-Finals

Stirling Bantams downed Frankford out of the first series of the play-offs with a score of 12-2.

Three goals were scored in the first period by Ray, Potts and Bastedo with assists from Potts, Jeffs and Hagerman.

Frankford came back with the first goal in the second period by Forbes, followed by three more for Stirling by Bastedo, Spencer and Armstrong, with assists from Thompson and Spencer.

Frankford again scored first in the third period by Forbes, but Stirling wrapped it up good with goals by Armstrong (3), Potts (2) and Thompson (1), with assists from Ray and Potts.

Line-Ups
Frankford — Goal, Jowett; def., Goff and McCrory; centre, Mikel; wings, Rowe and Graham; alternates, Forbes, Duncan, Rupert, Haggarty, Fores, Rouse, Bedard, Nicholson, and Walchuck.

Stirling — Goal, Wellman; def., Carr and Jeffs; centre, Potts; wings, Ray and Armstrong; alternates, Harding, McKeown, L. Pyear, Bastedo, Hagerman, Spencer, Thompson, McMullen, Wilhelm, Spencer and Utman.

Mount Pleasant

Messengers

Mount Pleasant Messengers convened at the Church Hall on Sunday morning with twenty-six children in attendance.

Nancy Johnson was pianist. Mrs. Clarence Scott synthesized the junior study book and Mrs. Frank Spencer outlined the primary story. Miss Janet Fletcher was in charge of a film and recording on India.

Janet Scott presided for the worship service on the theme "The Light of the World." Carolyn Merrick gave the call to worship. Glen Spencer read the Bible lesson and Mrs. C. Scott gave the meditation. All sang a gospel hymn. Fred Jeffs and Terry Bailey gathered the offering which Brenda Campbell dedicated.

Jill McAdam and Kathy Sharpe contributed a duet. Jim Scott was in charge of the roll call in the absence of the secretary. The meeting closed with a children's hymn.

Rawdon Council

River Valley W.I. Euchre Party

Mrs. J. R. Donohoe convened a euchre party for the Home Economics and Health Group of River Valley Women's Institute at the school house on Friday evening, February 14th, with twelve tables in play. There were twenty-five visitors in attendance from Frankford, Stockdale and Stirling. The proceeds were \$19.35. Several children enjoyed skating on the school rink.

Special numbered valentines were provided for all the players and Mrs. George Heasman was the lucky winner. The birthday prize went to Miss Della Descent who was observing her eightieth anniversary. "Happy Birthday" was sung for the guest of honour; also "Happy Anniversary" to Mr. and Mrs. Bert Bedford who were observing their fifty-second wedding anniversary on St. Valentine's Day.

The euchre awards were won as follows:

Ladies' high, Mrs. Norman Weese, Frankford; second, Mrs. Alfred Palmer, Stockdale; men's high, Harry Heasman; second, Bert Bedford.

The group provided the prizes and served the refreshments which included heart shaped cakes and other dainties.

Mt. Pleasant United Church Women

The February meeting of Mount Pleasant Rawdon United Church Women was held Wednesday the 12th with twenty-two ladies in attendance. Mrs. Garth Joslin was pianist and Mrs. Donald Knight presided and based her call to worship on the theme "Prayer."

A brief silence was observed for a deceased life member. The roll call was answered with Bible verses on love.

Reports were presented by Mrs. Robert H. Hoard and Mrs. Raymond McConnell. Delegates were appointed to attend the Presbyterian meeting at Napanee.

Programme Centred On Love

Mrs. Ross Jeffs and Mrs. Oscar Merrick were in charge of the programme centred on "Love" with a Bible selection read in unison, followed by a scripture chapter. Mrs. Burton Sharpe gave the meditation and Mrs. Percy MacMullen dedicated the offering. A sing-song of hymns on the theme followed. Mrs. James Hoard read an inspirational paper on "Love and Prayer" and Mrs. Ernest Spencer closed the devotionals.

The convener conducted the Bible study based on the 18th chapter of

Luke and centred on stewardship. This was followed by a discussion.

Mrs. Herbert Smith and Mrs. Raymond McConnell gave the highlights of their recent visit to the United Church Publishing House, The Overseas Depot where good used clothing is prepared for shipment and the Fred Victor Mission. A glowing account was given of the work carried on at this institution.

Mrs. Ralph Jeffs and Mrs. Norman McConnell provided the refreshments and all enjoyed a social half hour.

Green -- Gray Wedding

On Saturday, February 8th, at the Sacred Heart Church, Marmora, Rita Doreen Gray, daughter of Mr. and Mrs. Irwin Gray, of Marmora, and James Earl Green, son of Mrs. William Prest and the late Earl Green, of Stirling, were united in marriage. Right Rev. W. P. Healey officiated at the ceremony.

The bride, given in marriage by her father, wore a waltz length white nylon and lace dress. Her shoulder length tulle veil was caught up with a crescent headpiece of seed pearls, and she carried a bouquet of deep red roses and fern, entwined with ivy.

The maid of honor, Miss Helen O'Shea, cousin of the bride, wore a dress of pink nylon with a white pill-box hat and white accessories. She carried a nosegay of deep rose roses and fern.

The groom was attended by Douglas Hullsman.

The reception was held at the Preferred Room at the Royal Hotel, Marmora. The bridal table was set in white damask with silver candelabra, pink candles and centred with a three tier wedding cake.

The bride's mother received, wearing a two piece double knit suit in brown with matching accessories and a corsage of yellow 'mums. The groom's mother assisted, wearing a moss green sheath with black accessories and a corsage of bronze 'mums.

For a wedding trip to points west the bride chose a two piece brown suit with beige accessories and a corsage of bronze 'mums.

On their return the bride and groom will reside at Madoc St., Marmora. Out-of-town guests were from Belleville, London, Niagara Falls, Toronto, Stirling, Peterborough, Marmora and Havelock.

World Day of Prayer Held at Mount Pleasant United

On Friday afternoon, February 14th over thirty ladies from Mount Pleasant, Bethel and Wellman's, gathered at Mount Pleasant United Church for the annual World Day of Prayer. The service was prepared by Dr. Madeleine Barot, one of the Executive Secretaries of the World Council of Churches, Geneva, Switzerland.

Mrs. Garth Joslin officiated at the organ and Mrs. Donald Knight arranged the meeting. The theme of the service was "Prayer and Giving." Mrs. Harry McAdam read verses from John 14 and Romans 8 and gave the invocation. Mrs. Burton Sharpe read Psalm 148 and all sang "Praise the Lord." "The Meaning of This Day" was followed by prayers of thanksgiving. Mrs. Will Heath, of Bethel, gave thanks for all our gifts and Mrs. Omar Dracup, Wellman's, gave the prayer on sharing with others.

The group rendered "Spirit of God" and Mrs. John Mulheron, of Bethel, gave the meditation on prayer as centred around various Bible passages in Genesis, Luke and Mark. Mrs. Donald Heath, of Bethel, conducted the litany on repentance and all sang "Breathe on Me Breath of God."

Mrs. Kenneth Tompkins, of Wellman's, read the prayers of intercession. One of these was from the vesper service of the Orthodox Church. Mrs. John Carlisle, of Wellman's, read a prayer from Ephesians and Mrs. Omar Dracup gave an outline of what the offering throughout Canada will do. Among other things it will support the Bible Societies of Canada, Japan, Korea, Indonesia, Egypt, Burma, the West Indies and Brazil. It will also assist the Christian Literature Societies of India, Japan and Hong Kong. A complete list of the gifts given from the 1963 offerings was printed on the back of the programme, which had been prepared by the Women's Inter-Church

Council of Canada. Mrs. Ralph Jeffs and Mrs. Stanley Williams gathered the offering which amounted to \$8.00.

Mrs. Marguerite McMullen contributed a vocal selection. Mrs. Harry McAdam conducted the rededication to the service of others, closing with the prayer taught by our Lord.

All sang "The Day Thou Gavest" and the President, Mrs. Knight, closed with the benediction.

High School Boys' Basketball

Last Monday night the Centre Hastings Junior Boys Basketball team defeated Stirling Juniors 60 to 48. Our boys played well and deserved a better fate.

Led by John Vreugdenhil and Dan Harris, Stirling led through three quarters. But in the fourth quarter Dan fouled out of the game and the boys were on the spot defensively. They tried right up to the last whistle.

To Play In Madoc

On Saturday the team will travel to Madoc to take part in a tournament to decide the winners of the Centre Hastings trophies. We wish the boys well and hope they bring home a trophy.

R. D. Cooke Trophy

A special "thank you" goes out to Mr. R. D. Cooke for his generous donation of a trophy. It is a trophy that will be presented at the end of the season to the most valuable player on the junior boys' team.

The players and the points they scored in Monday's game were: Ken Smith (9), Dan Harris (17), John Vreugdenhil (18), Fred McAdam (2), Jack Rose (2), Don Burkitt and Milt Boyd.

Junior Farmers Play Broomball

The monthly meeting of Rawdon Junior Farmers took place on Tuesday evening, February 11th in the form of a Broomball Tournament at the local arena. Rawdon defeated Sidney 2 to 1.

Later the group returned to the Masonic Hall. After a few games were played coffee and doughnuts and a short period of dancing was enjoyed by all.

New members are now eligible to join.

Hastings 4-H Boy Rerepresents Ontario

Owen Ketcheson, son of Mr. and Mrs. Ross Ketcheson of Melra, has been chosen as one of the five boys from the Province who will represent Ontario in the Inter-Provincial Exchange. Owen will spend two weeks as a delegate in one of the other provinces of Canada where he will live with one or more farm families studying their agricultural program and visiting points of interest.

As one of the County's outstanding 4-H members, Owen was interviewed for this award while he was attending the 4-H Leadership Week in Guelph last July. Delegates to 4-H Leadership Week are chosen on their 4-H accomplishments, scholastic ability, extra curricular, church and community participation. At present, he is enrolled at MacDonald College in the final year of the diploma course in Agriculture. This exchange is co-ordinated by the Canadian Council on 4-H Clubs with the co-operation of the Provincial Departments of Agriculture in each of the ten provinces, and is sponsored financially by the Royal Bank of Canada.

Intermediates Are Suspended

Stirling Intermedite Elaines reached the end of a rough and winless season Monday night when they failed to ice a team and forfeited the game to Madoc. Stirling had five players at Madoc and one left in Stirling at 7.15 when Manager R. Kinton phoned Madoc and conceded the game.

Coach Bill Blakeley had turned in his resignation on Thursday last and Stirling dropped a 7-2 decision to the league leading Madoc crew on Friday night. It has been a tough season

for Stirling who have never been able to ice the same team twice. Despite their poor showings and sometimes lopsided scores the team was showing a considerable profit at the gate.

It has been quite a let down to the Elaine Footwear, team sponsors, the local merchants who contributed toward the entry fee, to their supporters and to the players who showed up regularly.

Tuesday morning in a letter to J. Svoboda, team sponsor, Stirling was notified of their disqualification and forfeit of their entry fee. This is the way it read:

"To whom it may concern. Stirling has been disqualified from further competition and forfeit of entry fee for failing to ice a team without adequate notice (limit 24 hours other than ice conditions) and concede all remaining points. This by no means, means that Stirling cannot enter a team another year and it is hoped they will do so because they are a competitive team and an attraction to the league, but hoped they will do so under a new management."

Charles Hamilton, Secretary-Treasurer

Trent Valley Hockey League

If Stirling does decide to enter a team next season it is hoped whoever runs the team will receive better cooperation and consideration from his players.

COMMERCIAL FISHERMEN EARN THEIR MONEY

Commercial ice fishing is a great resource that assures a livelihood to many, and is an important factor in Canada's economy. Having been out with commercial fishermen I must say that they are a hardy breed to risk the bitter cold that their work entails.

The commercial fishermen of this province, under licence by the Department of Lands and Forests, supply the fish markets with tons of fresh whitefish and carp. The latter at times fetches upwards of ten cents a pound, and is in great demand by fish markets in heavily populated centres.

Toronto's large Jewish population flock to markets to buy Ontario caught carp, and the fish is also considered a delicacy by Negroes, Chinese and many with a European background. Though my own background is none of these, the truth is that I like carp, particularly when roasted in the Jewish custom. My most recent meal of carp was just before Christmas when it was served as part of a tray of hors d'oeuvres. I doubt if any gourmet, even Duncan Hines himself, would have traded that same carp for oysters, caviar or other delights to the palate. But its one thing to sit down at leisure in a warm Canadian home and eat fresh caught fish, and quite another to be involved in the commercial ice fishery necessary to put such nutritious and highly edible food on our table.

One winter while I was living in the country I walked out across the frozen bay in front of my home to visit with commercial ice fishermen who had their nets down in the Trent. I visited with these same fellows on several occasions and came to marvel at their ability with large nets. Fishing at 20 or 30 degrees below zero does not appeal to many people, but the commercial ice fisherman often is out placing nets, or lifting in such temperatures. Most such fishermen are law abiding types who treat with respect the licence granted them by the Lands and Forests people, a licence that does not permit their taking game fish.

But occasionally a member of Ontario's game fishery, a muskie, wall-eye or possibly a bass will enter the commercial ice fisherman's net. Most manage to get away, while those unable to do so generally remain unharmed and live to tell about their experiences. When a big fish, almost always a muskie is so badly caught in a net that he thrashes about and drowns himself, such fish is turned over to the nearest conservation officer. Representatives of the Department of Lands and Forests as part of their winter duties spend considerable

time checking the nets of commercial ice fishermen when they are being lifted. Carrying out their work of conservation, enforcement of regulations, and inspection is anything but a fair weather job for the conservation officer. He must be out in the most severe cold and is along with the trapper, the only other individual I can think of that can match the commercial ice fisherman for patience and stamina. The game fish that do not survive captivity in the net are turned over by fishermen to the officer supervising their work. Generally the fish are offered to the kitchen of hospitals or old age homes.

Perhaps the most intriguing thing about the whole operation of commercial fishing in the winter is the placing of nets. This is accomplished by the use of a cedar plank called a "Jigger." This plank is equipped with two levers to which a rope is attached. As the rope is pulled and released, activating the levers, the plank is propelled along as it floats hard against the ceiling of ice. When it has traversed the required distance another hole is cut to recover it and the attached line, by means of which the net is drawn to the proper position. Cutting the holes in the ice can be chilling, almost paralyzing work, especially when the ice is frozen so deep as to require several inches of chiselling. This is the expression goes "is when you separate the men from the boys."

Apart from frostbite, another danger associated with winter fishing is the possibility of going through the ice. Commercial fishermen drive old cars or pick-up trucks onto the ice in order to be right alongside the nets when hauling time arrives. The weight of the vehicle, with fishermen and thousands of pounds of fish has on occasion proven to be too much, especially late in the season as break-up time nears. Many a commercial ice fisherman has been forced to jump to safety, and cars or trucks have had to be rescued from the drink. It's enough to make one wonder if such a trying occupation is really worth it, even if 15, 20 and 30-pound carp fetch a tempting price. But a number of men earn their living in this manner, boosting the Ontario economy and making possible a winter taste treat much enjoyed in homes throughout the province. To this hardy band this particular column is dedicated.

\$63,000 INVESTMENT PAYS OFF FOR EASTERN BREEDERS INC.

Eastern Breeders have now completed one year's operation using Liquid Nitrogen as the refrigerant to store frozen semen. It cost \$63,000 to change over to this method of refrigeration from the old method of dry ice and alcohol — but the investment

paid off for 15,000 farmers in Eastern Ontario and Western Quebec. A 6% increase in the conception rate of the 70,000 cows those farmers bred with frozen semen in 1963 was realized. In dollars this means an increased revenue to those farmers — members of Eastern Breeders — of \$66,150 for one year. Improved service and improved cattle are the main objectives of Eastern Breeders. Incidentally Liquid Nitrogen keeps semen at a temperature of 360 degrees BELOW ZERO.

The Good Driver

Psychologists run into many baffling problems. One of the minor mysteries is the refusal of all males over 16 to accept the thought that they might not be perfect drivers! Belief in one's own driving superiority amounts to self-delusion on a mass scale, says the Ontario Safety League.

The youth who has handled a hockey stick since pre-school days does not believe for a moment that he could live on the same ice with an NHL team. A man who has done odd jobs ever since he married will admit good humouredly that he is no master-carpenter. But both of them would bitterly resent the suggestion that they had anything to learn about driving a car.

A boy seeking his first operator's licence has a potential 64 years of driving ahead of him. His car will become an integral part of his life. For many years it will probably be his most valuable possession. Yet it is seldom that he, or his parents, think it worth while investing a little time and a little money in teaching him how to handle the car correctly — to give extra protection to his property, and his life.

The OSL appeals to parents not to teach their 16-year-old children how to drive. Parents are notoriously ineffective as teachers of their own youngsters. But in any case, teaching driving is a job for experts.

High school offers the best method of learning to drive. Graduates of high school driver training courses are far less likely to have accidents than their parent-taught classmates. However, only about 100 schools in Ont-

ario offer these life-saving courses (they are extra-curricular, and optional, in every case).

The PRO Drivers Club in Toronto expects to give courses, combining classroom with behind-the-wheel instruction, to over 1,000 youngsters in 1964. Other centres are considering introducing PRO Drivers courses,

which meet the very high requirements laid down for high school driver training.

Where organized courses are not available, parents are urged to send their sixteen-year-olds to reliable commercial driving school instructors. The money spent on correct driving instruction is a cash saving if it av-

oids even one collision. But what is far more important is that it might avoid human injury, or even death.

Some of the most famous fishing spots in the Campbellford area include the names of Percy Reach and Bradley Bay.

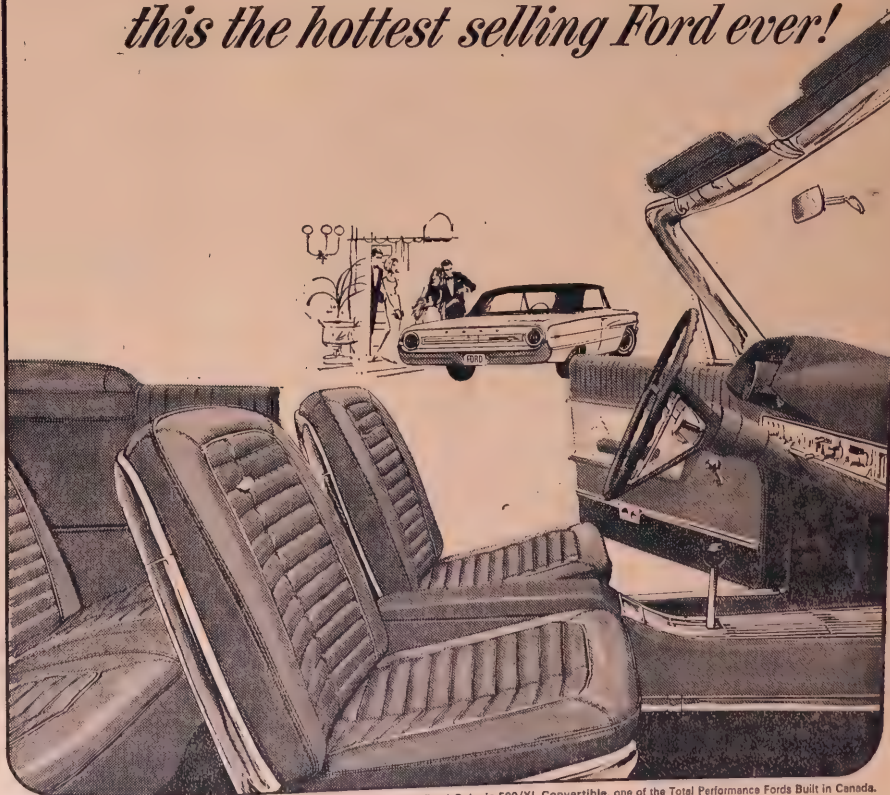

TOMMY HUNTER HEADGEAR

Tommy Hunter, more accustomed to wearing ten-gallon stetsons than tropical straws, fits himself out in a straw market in Nassau, Bahamas,

during a recent CBC concert party trip to that warm vacation land. Singing star of his own CBC radio network show three days a week, and of CBC television's Country Hoedown, Tommy will join another concert party in the spring to entertain Canadian troops stationed in Europe.

BLESSED ARE THEY

Blessed are they whose hearts are stirred

By the clear beauty of a bird,
Singing with all his little might;
Who love small flowers clothed in white,
Low places by the pasture creek,
Where buttercups are lush and thick;
Who try to hearken and uplift,
A lonely heart with a small gift,
A dozen cookies in a jar,
A clump of rooted four o'clocks,
As if the Master's hand
Had touched these things at dawn.

Miss G. Spry Hostess

St. Andrew's Women of the Church met at the home of Miss Gena Spry for their monthly meeting with a large attendance.

Mrs. L. Rawlings, group convener, opened the meeting with the hymn "What A Friend We Have In Jesus," followed by a poem reminiscing the first meetings years ago. The convener and her group were all dressed in old fashioned clothes displaying the styles worn years ago. This aroused great interest and humour.

Mrs. J. Johnston gave the Scripture and an explanation, followed by prayer. Mrs. Dods introduced another section of the Study Book and Mrs. R. Eggleston explained the part of the Bible field. Dr. and Mrs. Buchanan were the first missionaries to this foreign field.

Mrs. E. Cain explained the Janes field in India where Dr. and Mrs. Wilkie worked so hard to bring the word of God to these unchristianized people.

Business matters were discussed and the various committees reported for their respective departments. Roll call was answered by each presenting their baby picture. These were used for a guessing contest to identify each picture. Each member was presented with yarn and needles to knit blocks for an afghan.

Pictures were taken of the convener and her group which will be on display later.

Old fashioned lunch was served. A vote of appreciation was given the hostess, convener and group for all their efforts to make the meeting very interesting and enjoyable.

All members and friends are very welcome.

High School "At Home"

(by Linda Wagner)

As you entered the gym, was it Cleopatra, Venus and Adonis or the love poems which first caught your eye? Don't you agree that every year the students manage to produce new and attractive ideas for their decorations?

The annual "At Home" was held at the High School on Friday, February 14th. Approximately three hundred people attended. Since it was held on Valentine's Day, the theme was "Love Through the Ages." Beginning with the caveman and ending in the twentieth century, such famous lovers as Romeo and Juliet and Elizabeth Barrett and Robert Browning were depicted on the walls of the gym.

This year, the receiving line included Mr. J. L. Good, Principal, and Mrs. Good; Mr. A. R. Mallory, Chairman of the School Board, and Mrs. Mallory; Mr. D. R. Williams, Honorary President of the Student Council, and Mrs.

Williams; Edgar Hay-Elis, Student Council President, and his partner, Nancy David; Margaret Hommersen, Vice-President of the Student Council, and her escort, John Pantley.

The music, provided by Johnny Knowles Orchestra, of Toronto, was pleasingly varied to appeal to the tastes of the dancers.

King and Queen
Crowned

The King and the Queen of Hearts were Bill West and Carol Sharpe, who were crowned by last year's King and Queen, Lyle Couch and Carol Deckett. The Princesses were Sharon Burkitt, Beth Cook, Margaret Hommersen and Barbara Morrow, while the Princes were Andy Faulkner, Albert Lawes, Paul Leonard and John Noble. These had been chosen previously by the students and teachers.

A delicious lunch, prepared by Mrs. F. Lyons, and her Home Economic classes, was enjoyed by everyone.

The Student Council appreciated the help of all those who decorated the gym, especially the artists, Don Armstrong, Janet Murray, Audrey Stapley, Glenn Stapley, and John Svoboda; those who worked in the kitchen and served; the merchants, Burrell's and Patterson's, who co-operated by selling tickets, and especially the work of Mrs. Lyons.

Local and Personal

Various Committees Appointed To Secure Information on Artificial Ice

All Phases of Project Given Air on Sunday — Next Meeting Sunday, March 8

On Sunday, February 23rd, a second public meeting was held in the Stirling Legion Hall to discuss the matter of artificial ice for Stirling. A crowd of over 40 persons was in attendance for this important meeting. Legion President Allan Lawes acted as chairman of the meeting. Reeve Bert Jones, of Stirling, outlined to the best of his knowledge the various grants which would be available for such a public venture.

Dr. R. B. Murray, speaking on behalf of the local curling enthusiasts, suggested that it might be possible to form a local curling club and erect a curling arena immediately adjacent to the present arena. It was felt that there would be sufficient land to the south of the arena to allow such a project. The proposed curling surface would be large enough to accommodate two curling lanes. Such a surface could be easily serviced by the arena ice plant.

With several possible courses of action open, it was decided that a committee should be formed to establish the various phases of artificial ice installation, including a fact-finding group, a finance group and other committees which would work toward the eventual installation of artificial ice.

The following were named as representatives from various community organizations to report at a meeting to be held in the Legion Hall on Sunday, March 8th at 2 p.m.

Village of Stirling — Bert Jones and Bob Anderson; Township of Rawdon, Maurice Clancy and Fred Beckett; Township of Sidney, Jack Bush and Gerald Irvine; Township of Huntington, Goldie McInroy and Russell Silis; Stirling Legion, Wm. McMullen and R. K. West; Stirling Rotary, Les Rawlings and Dave Duffin; Stirling Curlers, Dr. R. B. Murray and one other appointee; Stirling Minor Hockey, Maurice Montgomery and Claude Trumble; Stirling Chamber of Commerce, Harry Cooke and Weiger de Jong; Stirling Centennial Committee, Don Rodgers and one other appointee.

Messrs. R. K. West and R. D. Cooke were appointed as a committee to make preliminary investigation into the purchase of artificial ice machinery.

As noted, the next meeting will be held in the Legion Hall on Sunday, March 8th at 2 p.m. at which time each of the above groups will be heard with their reports and recommendations. The general public is invited to attend this meeting to hear the various reports.

Midgets Take First OMHA Play-off From Frankford By 7 to 6 Score

Second Game Thursday Night at the Stirling Arena — Good Game Promised

Fresh from eliminating Tweed, Stirling Midgets opened their best of three series against Frankford on Tuesday night. The game was played at the Henry St. Arena and the final score was 7 to 6. These teams are evenly matched and the fans saw a thrilling struggle. The locals hampered their efforts by drawing too many penalties.

Stirling took a 3-1 lead in the first period with K. Smith getting two and C. Brown the other. Barry Pyear and Wellman drew assists. P. Whalen counted Frankford's lone tally at the 8:45 mark.

However it was a different story in the second period with the visitors coming back with a rush in the opening minutes and counting three goals to take the lead. J. Chard got the first at 1:15 and B. Payne added the others at the 5:34 and 6:05 mark. Smith tied the score at 9:59 and B. Pyear from Wellman made the count 5-4 at the end of the period.

The third period was a saw-off between the teams, each counting twice. K. Smith, from Bateman, and C. Brown from K. Smith, were the local snipers, and J. Chard and B. Chesser counted for the losers.

Frankford — Goal, MacCauley; def., Whalen and Morrison; centre, Bob Chesser; wings, Chard and Gilchrist; alternates, B. Payne, F. Payne, B.

Draw at Play-Off Game Tonight

The winning ticket on the draw for a \$50.00 bill, sponsored by the Stirling Minor Hockey Association, will be drawn tonight (Thursday) at the O.M.H.A. play-off game between Frankford and Stirling Midgets.

These two teams are evenly matched and fans are assured of a thrilling game. Come out and support the younger boys in their bid for a championship.

Engagement

Mr. and Mrs. Melville Wickens, of Harold, Ont., announce the engagement of their daughter, Judith Eliseen to Robert Douglas Cooney, son of Mr. and Mrs. Raymond Cooney, Stirling, Ont. The marriage to take place on March 28th at Salem United Church, Minto, at 12:30 p.m.

Elected Director

Chas. Fargey, R.R. 2 Stirling, President of the Hastings County Beef Improvement Association, attended the annual meeting of the Ontario Beef Improvement Association held in the Royal York Hotel, Toronto, on Thursday and Friday last. He was elected a director of the Provincial Association.

Brownies Observe Thinking Day

The 1st Stirling Brownie Pack celebrated Thinking Day on Monday, February 24th. The Brownies invited their mothers and a programme of songs and games was given. Sixers Kathy Morton, Janet Duffin and Judy Merrill lighted candles to honour the birthdays of the founders of Scouting and Guiding and his wife the Chief Guide. A delicious lunch was served by the Brownie leaders.

2nd Brownie Pack

On Monday, February 24th the 2nd Stirling Brownie Pack celebrated "Thinking Day" — 24 hours set aside once a year for the millions of Scouts and Guides to simply think about each other. This day also recalls the beginning of this work started by Lord Baden-Powell.

The mothers of these little Brownies were guests and entertained by a suitable programme put on by the girls, after which Brown Owl Harding and Tawny Owl Shortt, assisted by some of the older Brownies, served a light lunch.

Midgets Eliminate Tweed In Group Semi-Finals 4 to 3

The fourth game of the group semi-finals between Tweed and Stirling Midgets was played in the new Tweed Arena on Saturday night and resulted in a 4 to 3 victory for Stirling. These teams divided the first two games of this series and the third game was a tie, necessitating the fourth game.

Stirling took a 3-0 lead in the first period with Barry Pyear getting two and Ross McIntosh the third unassisted. Harris and Smith drew assists on Pyear's counters.

Tweed narrowed the margin early in the second stanza when Bancroft beat McPaul. However Ross McIntosh got it back midway in the period to make the count 4 to 1.

Bancroft again put his team back in the running at the 2 minute mark of the last stanza with his second goal of the game. Quinn got the final counter just before the final whistle to make the score 4 to 3.

Referee — J. McCormick, Trenton.

Hanoski, Watson and Duncan.

Stirling — Goal, McPaul; def., Wellman and D. Potts; centre, K. Smith; wings, B. Pyear and C. Brown; alternates, F. Bateman, D. Shortt, Ross McIntosh, Ralph Parr, L. Jeffs, Cooney, D. Ray and D. Harris.

Referee — G. W. McCrory.

Directors of C. of C. Meet

A directors' meeting of the Stirling Chamber of Commerce was held on Monday night with D. R. Williams presiding. The results of the survey on shopping facilities in the Village carried out some months ago were tabulated and will be made available to the individual merchants.

Announcement was made that David Lucas, a representative of the Ontario Chamber of Commerce, will address a luncheon meeting of the local Chamber's directors and others at "Sterling" Hotel on Thursday, March 5th at 12:30 noon.

Heart Operation

Juveniles Eliminate Cooper From Play-Offs in Three Straight Games

To Meet Winner of Norwood Bobcaygeon Series in the Next Provincial Round

Stirling Juveniles defeated Cooper 7 to 1 at the local Arena on Monday night to win the best of five play-off series in three straight games. There was only a small crowd in attendance and the issue was never in doubt.

Bob Donohoe gave the locals a one-goal lead in the first period on an assist from Potts, and added another at 4:25 in the second stanza, with Noble drawing the assist. Midway in the period Faulkner made the count 3-0 on an assist from Potts.

The locals continued to outplay the visitors in the third canto and ran in four goals to their opponents' one. Potts, unassisted, Noble from Donohoe, Faulkner from Wrightman and Wrightman, unassisted, were the marksmen. McCann got the lone counter for the visitors early in the period. There were only four penalties handed out by D. Bolte and Allan Bird, two to each team.

Cooper — Goal, D. Bailey; def. H. Bailey and D. Rollins; centre, T. Chapman; wings, L. Holmes and J. Chapman; alternates, Davidson, Carroll, B. Holmes, Francis, Empey, McCann and Johnson.

Stirling — Goal, Morrow; def. D. Potts and Bosiak; centre, Faulkner; wings, Vandervoort and Wrightman; alternates, Harris, Svoboda, Noble, Saries, Rogers, Smith, Pyear, Donohoe and Mason.

Almonte Tourney

The local Juveniles participated in a tournament in Almonte on Saturday. They won over Perth 6-0 and lost out to Smiths Falls by a score of 9 to 6.

First Game

In the first game against Perth, which was played at 4 p.m. in the afternoon, Stirling took a 3-0 lead in the first period. Vandervoort, Hagerman and Wrightman were the marksmen.

They increased their lead to 5-0 in the second stanza, with Donohoe, from Noble, and Faulkner from Wrightman, getting the tallies.

In the last stanza Wrightman scored on an assist from Faulkner to make the final count 6-0.

Stirling vs Smiths Falls

The second game between Smiths Falls and Stirling was a wide open struggle with play going from end to end. The winners took a two-goal advantage early in the first period before Hagerman, from Donohoe, potted Stirling's first counter at 8:22.

Smiths Falls added two more to make the count 4-1 before Hagerman, from Donohoe, and Noble, from Hagerman, counted to make the period score 4-3.

Andy Faulkner tied the score early in the second on assists from Saries and Vandervoort. However Smiths Falls went ahead again with two more goals before the close of the stanza, to make the count 6-4.

In the final stanza the winners outscored Stirling 3 to 2 to make the final score 9 to 6. Faulkner, from Hagerman, and Hagerman, unassisted, were the Stirling marksmen.

The local Juveniles report a fine trip and are grateful to M. Montgomery, Claude Trumble and W. J. Morton for donations towards their expenses and to Don Rodgers, Bob Montgomery and Bill Blakeley for providing the transportation.

Ten Pin Bowlers Continue Winning

A team of five men ten pin bowlers took their third straight win in a row on the week-end at the D & A Lanes in Trenton. The three other competing teams were from Cobourg, Deseronto and Trenton.

The Stirling team with a three game total of 2133 were 22 pins higher than the second place Cobourg team with 2111. There were only 2 pins separating Cobourg from the Deseronto team's 2109. The host team of Trenton had 2050.

The high triple for the day went to Stirling's Ralph Sca with 473 and the high single to Cobourg's Bill Grozelle with a 193. Stirling's Harold Johnson was close on his heels with a 190 game. He also had the hidden score triple of 417. Keith Johnson of Stirling had a good single game of 160 and triple of 160.

The next match will be in Deseronto at a date to be announced.

St. James' Catholic Women's League

On February 13th fourteen members met in the recreation rooms for the regular monthly meeting. Following the roll call minutes, treasurer's report, and two thank you notes were read. The date for catering to the livestock sale has been set for early fall. Members voted in favour of sending a donation to the Good Thief Apostolate. It was decided to hold a Communion Luncheon in April. Different ideas were discussed as a way to increase finances.

A reading was given by Mrs. J. Ryan. Mrs. J. Forestell gave two readings, one of which was in keeping with St. Valentine's Day.

Following the closing of the meeting a Chinese Auction was held, which was enjoyed by all.

A dainty lunch was served which was a Valentine's Day birthday celebration for Miss Della Descent, to whom all the ladies extended their sincere congratulations.

LEGION NOTES

All members of Branch No. 228 are advised that the date of the March general meeting has been changed from March 3rd to Tuesday, March 10th. Please note the change of date.

Tomorrow (Friday) evening, the Legion-sponsored Pee Wee Hockey League will stage its final game at the Arena commencing at 6:45 p.m. District hockey fans are urged to attend this game. The local youngsters have been staging some very close and exciting contests every Saturday. Tomorrow night the boys deserve your support as they get the opportunity to play before a larger crowd.

The final Pee Wee series is a best 2 of 3 arrangement. Last Saturday morning, in the first game of the play-off Ross Kinn's Dodgers defeated Bill McMullen's IGA team. The McMullen coached team will be going all out to tie the series tomorrow night. Remember to support the Pee Wees tomorrow night at 6:45 p.m. at the Arena.

Following the Pee Wee game, the local Scouts, Guides, Brownies and Cubs will enjoy their annual skating party. Free skating will be open to all members of the above organizations from 8:15 to 10 p.m. Each year the Legion has made the arena available for this event.

Last Saturday the Legion held its annual skating party for Legion members, their wives and families. Over 100 persons enjoyed a pleasant evening. All children were treated to free soft drinks and chocolate bars. This event has proved to be one of the most popular of the entire Legion programme.

The arrival of March not only heralds the coming of Spring; it also means the expiration of the first quarter of the Legion year. Dues become over-due as of March 31st. All members are urged to bring their dues up to date before the end of March. Please see membership Chairman Russ West. Be a Legion booster — be a Legion member!

Horticultural Soc. Monthly Meeting

Mrs. R. McConnell, Mount Pleasant Was Hostess — Discuss Plans For Year

The Stirling Horticultural Society held their February meeting at the home of Mrs. Raymond McConnell on Monday the 17th in the afternoon. Some 20 members were present and the President, Mrs. Floyd Armstrong, welcomed all members and guests.

The meeting opened with the Lord's Prayer and the reading of the Gardener's Prayer. Secretary Mrs. Ray Rose read the correspondence. Items of business were discussed including Horticultural Week, which is the first week in May; the June Flower Show and trees for the school.

Mrs. P. MacMullen gave a reading on what to do in February, including care of tools and garden furniture. Mrs. Harold West led in singing some good old songs, some with actions. Mrs. M. Ayrhart and Mrs. Hubble gave interesting readings. Miss Gena Spry read, "I Planted a Garden." Mrs. Hubble and Mrs. McConnell conducted two contests.

A lovely lunch was served of cake, jellied pineapple slices and cream, tea and coffee. Mrs. M. Ayrhart voiced thanks to Mrs. R. McConnell for opening her home to the Society and to the committee for the lovely program and lunch.

The next meeting will be at the home of Mrs. Mae Clarke on March 16th at 8:00 p.m.

River Valley W.I. Euchre Party

On Friday evening February 21st, the Home Economics and Health group of River Valley Women's Institute sponsored their last party of this month at the School House on the Frankford Road with fourteen tables in play. There were twenty-five visitors in attendance from Stockdale, Frankford and Stirling; also thirteen Institute members.

During the evening a large number of children enjoyed skating on the school rink.

Mrs. J. L. Donohoe convened the meeting and also provided berry tarts for the social hour. The prizes were donated by a life member, Mrs. Jennie Donohoe and awarded as follows:

Lady's first, Mrs. G. B. Bedford, 87 points; lady's second, Mrs. Arthur Plumpton, Stockdale, 84 points; men's high, Miss Jean Donohoe (playing as a man); men's second, Dennis Heasman; door prize, Mrs. George Heasman.

Murney Bateman
President County
Hog Producers' Assoc.

At the first Directors' meeting of the Hastings County Hog Producers' Association held in the Agricultural Board Room, Stirling, Mr. Murney Bateman, Spring Brook, was elected President. He succeeds Mr. Irwin McCoy, Marmora, who has been the President for a number of years. The Vice-President is Mr. Burton Hubble, Belleville, and the Secretary-Treasurer is Mr. Milton Elliott, Tweed, who replaces Mr. Ross Moorcroft, who likewise has been Secretary-Treasurer since 1957.

1964 Projects
Several projects were discussed and it is the hope of the Association that a Hastings County Hog Carcass Competition will be finalized in the coming month. "Carcass quality is of utmost importance," stated the President.

To assist the 4-H members of the 4-H Swine Club, the Association has voted \$200.00 towards assistance in the purchase of quality purebred gilts for the members. The assistance to be decided on by the 4-H Leader and the Department of Agriculture.

St. Paul's UCW
Unit Three

Unit No. 3 of St. Paul's United Church Women held their first regular meeting at the home of President Mrs. J. L. Good with 18 members and 2 visitors present. The following slate of officers was accepted:

- Unit Leader — Mrs. G. Finkle
 - Assistant Leader — Mrs. D. Pollock
 - Recording Secretary — Mrs. B. Faulkner
 - Treasurer and Membership Convener — Mrs. D. Patterson
 - Planist — Mrs. A. Lawes
 - Supply and Social Assistance Convener — Mrs. M. Maguire
 - Community Friendship and Visiting Convener — Mrs. Grant Richardson
 - Card Secretary — Mrs. F. Bateman
 - Social Functions Convener — Mrs. C. Potter
 - Assistant — Mrs. G. Stapley
 - Programme Convener — Mrs. Lloyd Jones
 - Telephone Committee — Mrs. R. Shortt and Mrs. J. Bailey.
- The meeting was called to order by the Leader, Mrs. G. Finkle, who opened with prayer and a reminder of the purpose of the United Church Women.
- The devotional period was led by Mrs. Grant Richardson on the theme "Peace."
- An interesting study on missions in

South East Asia was conducted by Mrs. L. Jones. Much information was given on culture, religion and conditions in India as a basis for future study. A question period followed.

The meeting closed with prayer and a social half hour followed. Mrs. Ray Shortt thanked Mrs. Good and those who conducted the programme on behalf of all present.

Local Pee Wees
Eliminated

The Stirling Pee Wees were eliminated from further participation in the play-offs on Saturday night, when Frankford defeated them 4-0 at 6 RD, Trenton. Frankford also won the first game played in Stirling by a score of 2 to 1. The winners led 1-0 at the end of the first period. There was no scoring in the second and they added three in the third stanza.

World Day of Prayer
Service at Salem

The World Day of Prayer Service held in Salem United Church on Friday was fairly well attended.

Mrs. Everett Sine presided and welcomed all. Mrs. I. Munroe gave a very inspiring address on "Prayer." Those taking part in the service were Mesdames John McInroy, John Wallace, Fred Lebow, Tom Clements, Lindsay Tanner, and Miss Edna Tanner. Mrs. Keith Bray and Mrs. Geo. Wood sang, accompanied by Miss B. Flenning. Mrs. Stanley Keller and Mrs. Mel Wickens received the offering.

Mrs. Lindsay Sills extended an invitation to West Huntingdon Presbyterian Church for the Day of Prayer Service next year with Mrs. Sills as key woman.

All Mrs. Gibson's old friends and neighbours here wish her many more happy Birthdays.

Mrs. Cora Reid and her pupils at the Union School and Mrs. Don Wood and her 9th Line School pupils, celebrated St. Valentine's Day with parties at their schools. There were short programmes of games, contests and readings and valentines were exchanged and displayed. Candy popcorn, sandwiches and other refreshments were enjoyed. Several preschool age children also attended.

Mr. and Mrs. Jimmie Mumby entertained several young couples at a Pot Luck Supper at their home on Saturday night, with Bowling at Spring Brook Bowling Lanes afterward.

Congratulations to our grand old lady, Mrs. Minnie Morton, who on Thursday, February 20th celebrated her 84th birthday. Mrs. Morton enjoys exceptionally good health for one of her years and gets around smarter than many people her junior. All her friends wish her many more healthy, happy birthdays.

Agnes McKeown, nurse in training at Belleville General Hospital, is spending a short holiday with her parents, Mr. and Mrs. Thos. McKeown, following a three months course at the Ontario Hospital, Kingston.

Wm. Morton Sr. and son, Bob, were recent guests of Mr. and Mrs. Thos. McKeown.

Mrs. Essie Reid has returned home after spending a few days with her grandchildren at Harold, while her son Claude and his wife were on a trip to Florida.

Mr. John Stewart spent last week in Peterborough with his daughter and husband, Mr. and Mrs. Wm. Donaldson and Susan.

Fred Spencer, Kingston, and Glen Stewart, of Peterborough, spent the week-end at their homes here.

Mr. and Mrs. Lloyd Anderson and family were supper guests of Mr. and Mrs. Carl Reid and David on Friday at Petherick's Corners.

Mr. and Mrs. Thos. McKeown and Agnes spent a few days last week with relatives in Hamilton and called at Maple to visit Paul McKeown enroute.

Mr. and Mrs. Don Stewart, Donna and Maureen and Mr. and Mrs. Fred Petherick were supper guests of Mr. and Mrs. Percy Reid and Ted on Saturday.

Patsy Mallory, of Stirling, was an overnight guest of Marilyn Stewart on Thursday when they accompanied Marilyn's parents to a hockey match between the Toronto Marlboros and the Peterboro Petes in Peterboro.

Mr. and Mrs. Sam Downer and family, Spring Brook, were Sunday supper guests of Mr. and Mrs. Clarence Thomson and family.

Mr. and Mrs. Walt Reid and George and Wm. Morton and Bob called on Mrs. Essie Reid on Sunday afternoon.

Wilfred Spencer spent Sunday evening with his sister and husband, Mr. and Mrs. Ellis Jones.

Mr. and Mrs. Thos. McKeown were recent guests of Mr. and Mrs. Chris Bateman, Spring Brook.

Mr. and Mrs. Lloyd Anderson and family were Sunday supper guests of Mr. and Mrs. Doug Brunton, at Stanwood.

Wm. Morton Sr. and Bob were Sunday supper guests of Mr. and Mrs. Doug Morton and daughters at Stirling.

Mrs. Percy Bland, Campbellford, spent Monday afternoon with her cousin, Mrs. Ellis Jones.

Tommie, Ronnie, Beth and Jerry Mumby spent the week-end with their grandparents, Mr. and Mrs. Gerald Fitchett and great grandmother Mrs. Stella Gibson, in Campbellford.

Do You Remember?

TWENTY-FIVE YEARS AGO

ISSUE FEBRUARY 23rd, 1939

Miss Agnes Morton gave an interesting address on "A Trip to Europe" at the weekly meeting of St. Andrew's Guild Monday evening.

Miss Sarah Knox, one of Stirling's oldest citizens, celebrated her 87th birthday on Saturday, February 18th. Mrs. Kenneth Tompkins (nee Ruby Stapley) was guest of honour at a dinner shower at the home of her parents, Mr. and Mrs. F. Stapley on Monday night of last week.

Fred Elgie was elected President of a Boys' Conference at a meeting in Bridge St. Church, Belleville, on Saturday.

Local and Personal

Gerald Sprentall, of Queen's University, spent the week-end with his parents, Mr. and Mrs. F. Sprentall.

Mrs. Geo. McCutcheon left today to spend several weeks with her son, Arnold, of New Toronto.

Rev. and Mrs. W. H. V. Walker and sons, Jack and Rowan, spent Saturday in Port Hope.

Mr. and Mrs. J. B. Thompson and F. R. Mallory are attending the annual convention of the Ontario Fairs Association in Toronto.

Harold

Mr. and Mrs. L. Wilson and Miss Clara Thain were guests of Mr. and Mrs. Geo. Bailey on Wednesday night. Lorne Bailey, accompanied by Mac

Mason, spent a couple of days last week at Sturgeon Falls.

Madoc Junction

Friends and neighbours gathered at the home of Mr. and Mrs. S. Danford on Friday evening and tendered the newly-weds, Mr. and Mrs. Melville Tanner, a kitchen shower.

The recent snowstorm almost blocked the roads in this area. Seven teams were used on Monday to haul the snowplow and the roads are in bad shape.

Mr. Bert Reid and Mr. and Mrs. Geo. McMullen and Mrs. W. Harlow motored to Kingston on Tuesday. Mrs. McMullen remained to undergo treatment at the General Hospital.

Mount Pleasant

Ralph Campbell, Marsh Hill, was guest speaker at Mount Pleasant Young People's Union.

Mrs. A. Landberg, of Toronto, and Mr. Jas. Seenen, Hoard's, were guests of Mr. and Mrs. Allan Simpson on Wednesday.

Holsteins Sell

At \$40 to \$65

At an auction sale on the premises of Isaac McInroy, 12th Line of Rawdon Township, a fine herd of Holstein cattle sold for prices ranging from \$40 to \$65. Horses also brought high prices as well as the implements. Hay brought \$6 a ton; oats from 40 to 60 cents per bushel.

W. C. Johnston, of Lind, Wash., a native of Rawdon Township, was killed in a level railroad crossing accident Thursday.

Most cases of high blood pressure can be controlled says your Ontario Heart Foundation.

Public Library To Build Up A "Careers" File

The Stirling Public Library has been attempting to build up a "Careers" file that would be useful to high school students in their search for the right career and in preparing themselves for that career. A beginning has been made and it is hoped that it will become a service feature of the Library. When the file is complete, there will be calendars from every University, School of Technology, Agricultural School, Trade School (provincial), and School of Nursing in the Province. Every attempt will be made to keep this file up-to-date. Later it is hoped there will be a file on adult education facilities in the Province. Many of these calendars and brochures may now be seen at the Library and a complete list will be published later in this newspaper.

New Books At Library

New books for children presently on the shelves are: Four new "Secret Circle" books by Canadian authors, "Mystery of the Disappearing Dogs," "Mystery of the Vanishing Birds," "Secrets of Spaniards," "The Young Reporter," by Max Braithwaite; and "The Double Steal," a Rocky McCune baseball story; six small Dick Bruna story books to fit small hands and to suit the reading capabilities of the very young reader. Three beautifully illustrated fairy tale books bring back these favourites: "Thumbelina," "The Golden Bird" and "Pegasus, the Winged Horse."

There are two new adult biographies, "My Darling Clementine" and "To Light a Candle," giving the life stories of Lary Churchill and of James Kellar, founder of The Christophers, respectively. "Runes of the North" is a vivid portrayal of Canada's north by Sigurd Olesen, author of "The Lonely Land." Two new fiction books worth noting are "Joy in the Morning," by Betty Smith, and "The Spy Who Came In From the Cold," by John Le Carré.

Library Hours

Library hours remain the same:

2 to 5:30 p.m. on Tuesday, Wednesday, Thursday and Saturday, and 2:30 to 5:00 p.m. and 7:30 to 9:30 p.m. on Friday.

Rylstone United Church Women

Mrs. Wilfred Spencer was hostess to the United Church Women of Rylstone Church on Wednesday afternoon, February 12th. There was a good attendance of ten members, five visitors and five children.

As the President, Mrs. Will Rutherford is still unable to attend, the meeting was under the direction of the Vice-President Mrs. W. Spencer who opened the meeting with prayer and conducted the meditation period on "Love." Short selections of Scripture were read by Mrs. Bob Spencer, Mrs. Murray Meiklejohn, Mrs. Ross Dickie, Mrs. Ray Stewart and Mrs. W. Spencer. The hymn, "Lord Speak To Me That I May Speak," was sung, followed by the Lord's Prayer in unison. Mrs. Clarence Thomson gave the Bible study and a talk on missions.

The roll call was answered by a Bible verse containing the word "Love." Thank you's were received from Mrs. Will Rutherford and Mrs. Laurence Meiklejohn for flowers and fruit received. The date and arrangements to cater for a sale at Hoard's Station was discussed.

Mrs. Bob Spencer and Mrs. Jack Spencer were appointed delegates to the District Annual Meeting of the United Church Women to be held at Napanee.

Mrs. Jack Spencer gave a splendid report on the bus trip to Toronto recently and read a poem on the work of the Fred Victor Mission.

Mrs. J. Spencer was also convener for the balance of the programme as follows: Piano solo, "Take Time To Be Holy," by Mrs. Clarence Thomson; Valentine Bible contest, by Mrs. Robt. Spencer; hymn, "Nearer My God To Thee," The Mizpah Benediction brought the meeting to a close.

Refreshments were served by the hostess and committee, followed by a baking sale which was well patronized.

The next meeting will be held at

the home of Mrs. Lloyd Anderson, 11th Line. Programme committee will be Mrs. Ross Dickie and Mrs. James Milne; refreshment committee Mrs. Aaron Anderson and Mrs. Bob Spencer. Roll call to be answered by donation of toilet soap and safety pins for the Fred Victor Mission.

Plenty of Basketball

Last week the Junior Boys' Basketball team at the High School were very active. On Wednesday the boys travelled to the Ontario School for the Deaf and were defeated 48 to 25. The scorers were Jack Rose, John Vreugdenhil (6), Ken Smith (13), Milt Boyd, Dan Harris (6), Ross McIntosh, Dennis Gray, Don Burkitt and Fred McAdam.

Consolation Winners

On Saturday they travelled to Madoc to compete in a tournament that was to determine the winners of the Centre Hastings Trophies in the Junior Division. Madoc was the winner.

After being defeated 48 to 25 by Marmora the Stirling boys went into the consolation game. This was a thrilling game and Stirling held on to win 53 to 49 to become consolation champions. Stirling trailed most of the game and did not take the lead until the fourth quarter. At this point team leader Ken Smith fouled out of the game, but the other boys picked up the slack to win.

The players and the points they scored in the tournament: Ken Smith (25), John Vreugdenhil (23), Dan Harris (19), Don Burkitt (7), Fred McAdam (3), Jack Rose (1), and Milt Boyd.

Success Story

The men of St. John's Church are very happy with the patronage being given to their Lenten Fish and Chip Suppers. Last Friday was a new record, 130 "take-out" orders and 132 guests in the Parish Hall.

Now, we have a problem. How are we going to serve all these friends with our limited equipment? To help with the solution we are changing slightly the hours for "take-out" orders. For the three Fridays still to

come there will be no telephone orders accepted after 4:45 P.M. and the latest for delivery will be 5:30 P.M. We hope that this change will make it possible for us to take care of everyone more promptly. We do sincerely appreciate your response to our efforts to please you.

Community Honours Mr. and Mrs. J. Ryan

On Saturday evening, February 22, a good number of friends gathered at the home of Mr. and Mrs. Thos. Ryan, West Huntingdon, to congratulate John on his recent marriage and to welcome Louise to the community.

Mr. Goldie McInroy very capably acted as chairman for the evening. Mrs. Bill Donnan favoured with a lovely solo. Humorous readings were given by Mrs. Thos. Clements, Mrs. Arnold Revo, Mrs. John McInroy and Mr. Mac Saries. Mary Lou and Betty Sine rendered a pleasing duet. Mr. John McInroy spoke briefly and Mr. John B. Hagerman spoke on behalf of the community, where John was born and went to school; also extending a warm welcome to Louise.

An address was read by Mrs. Mel Wickens, while Mr. John Wallace and Mr. W. J. Fitchett made the presentation of a floor lamp and hostess chair. There were also several individual gifts.

John and Louise both spoke and invited each and all to visit them in their home. "For They Are Jolly Good Fellows" was sung and a bountiful lunch and social time was enjoyed.

Elaine Local 754 Bowling League

OF MANY THINGS

(By Ambrose Hilla)

BOOM WITH A STING IN IT

It seems pretty clear that there is a boom coming, if not in Canada at least in the U.S.A., but it will be a boom with a sting in it for many. It will hurt the pensioners and all retired persons on fixed income, because it will be teamed with inflation, which means you can buy less with each dollar you have saved.

If I were wealthy, I would make up

a shopping list today and go out and buy every 1964 purchase at once. As it is, I am ordering a new set of tires today, confident that they'll cost more soon. We plan to get paint for our house, and some needed furniture within the next week or two, hoping to beat the price increases we feel sure are on the way.

Of course, I could be all wrong about this. There are hundreds of labour-management agreements coming up this year, and if they make sensible deals, it could help keep prices down. I am betting, however,

that hourly wages sneak up a notch ahead of productivity.

Another factor that could help keep prices down would be some restraint on the part of the various governments. But I lost hope on that score when I read reports on the dominion-provincial negotiations; nearly all the politicians wanted more and more, and there was scant mention of the taxpayer. I believe Mr. Manning, of Alberta, and Mr. Roblin, of Manitoba, did say a word or two on behalf of the taxpayers, but in the main the discussions hinged on sharing the pie rather than on making it bigger.

So my suggestion to the family that can scrape together the wherewithal is to shop in advance. And while you are at it, you might get in touch with your MP and MLA and let them know you'd appreciate a firmer pull on the purse strings for a while.

Booms are all very nice. But when accompanied by inflation, one man's good times is another's misfortune. Don't say you weren't warned!

Bethel UCW

Mrs. Doan Heath was hostess to the Bethel United Church Women and a pot luck supper on Thursday evening, February 26th. At 7.00 o'clock forty-three members, friends and children sat down to a bountiful supper.

As this was Brotherhood Week the President, Mrs. D. Heath, opened the meeting by welcoming all present, especially those from the other denominations and hoped that everyone would enjoy the fellowship together.

Mrs. Stewart Hoover had charge of the worship service and she took for her theme "The Christian Life," bringing out the thought that we sow seeds for good or evil. She was assisted with the Scripture readings by Mrs. J. Mulheron and Mrs. W. Heath. Hymn "Rise Up O Men of God" and "We Plough the Fields" were sung, accompanied on the piano by Mrs. H. Elliott.

The correspondence was read by Mrs. W. Heath. This included a letter from a member of Grace Chapel inviting the organization to their special services this week. Delegates appointed for the Presbyterial to be held in Nanawee were Mrs. Don Heath, Mrs. J. Mulheron and Mrs. Harold Elliott.

It was voted to hold evening meetings. The next meeting to be at the hall the evening of March 19th with Miss Campbell, of Havelock, as guest speaker and Mrs. D. Drewry as hostess.

Flower committee for 1964 will be Mrs. E. McKeown and Mrs. H. Heath. Penny bags and the programmes were distributed to the members. The ladies were requested to do a number of quilts. A committee to purchase a piano for the hall was named.

The highlight of the evening was the entertainment provided by Mr. Lyall MacLaughlan, Assistant Agricultural Representative. With a very

interesting comment he showed pictures of his recent trip to the west coast including the Calgary Stampede; also pictures of interest around Stirling.

Music was provided by Mrs. M. Cooney which was much enjoyed. Mrs. Fletcher voiced thanks on behalf of the group for an evening well spent. Rev. W. G. Fletcher closed the meeting with prayer.

St. Paul's UCW Unit One

Keen interest was shown by the members of Unit One of St. Paul's United Church Women at their meeting held on Monday evening, February 24th at the home of Mrs. Francis Lyons.

Mrs. Wm. Morton presided at the electric organ for a prelude of sacred music and Mrs. D. Williams welcomed a number of new members. She then gave an opening meditation and some pertinent thoughts relating to the Lenten season, stressing the need of penitence and prayer.

God's constitution — made up of the Ten Commandments — was the central theme of the worship service conducted by Mrs. D. Donohoe. "These laws," she said "were far more than a handbook of social etiquette or a rule of thumb for business matters. They were rules of the living of every moment of life."

Following prayer Mrs. Allan Wells led the group in Bible study. The emphasis this year is on "The Covenant." With the aid of filmstrip and commentary the group learned how the history and nature of the covenant in the old testament was revealed and also the meaning of the new covenant. An especially interesting open discussion was entered into by all the members.

An introduction to the new study of the Christian movement in South Asia was given by Mrs. Wells and Mrs. Donohoe. With the aid of a map and bulletin board the group was shown the particular areas involved and told of the basic differences that are causing trouble between the Hindus of India and the Muslims of Pakistan at the present time. The need for political unity transcends language, class and caste division. Members were urged to read their daily papers and save newsworthy articles referring to this part of the world.

Roll call was answered with Bible verses containing the word covenant. Routine business was dealt with and social events noted.

A contest relating to people of importance was enjoyed as was the delicious lunch which followed.

The entire meeting showed much time, thought and effort had been put into its preparation by the programme committee, Mrs. Allan Wells and Mrs. Don Donohoe. These two members, together with the lunch committee and hostess were thanked on behalf of all present by Mrs. Robert Luery.

Energetic Bowling League

Fri., Jan. 31st — The Chipmunks took 5 points today and the Roly Polys the other 2.

High single in A group went to Verna Woodbeck with 251 and the triple to Marcella Svoboda with 625. In B group Lillian Harrington rolled a nice 238 for the high single and Vickie Morgan took high triple with 499. 200 games — Ivy Poste 229, Lenora West 200, M. Svoboda 213 and 215, Betty Carr 210.

Fri., Feb. 7th — Points were pretty evenly divided today with the Roly Polys and the Chipmunks each taking 2 and the Hillbillies the other 3. A group high single was rolled by Lenora West, her high for the year, a nice 315. High triple went to Luella Bronson with a 639. In B group Hilda Rose rolled right along to grab both high single and triple with a lovely 280 and 598. 200 games — Ivy Poste 221 and 219, Luella Bronson 229 and 236, M. Svoboda 219, Verna Woodbeck 272, Mabel Brooks 201.

Thurs., Feb. 13th — This league bowled a day ahead because of the World Day of Prayer coming on Friday. Apparently the 13th brought luck to the Roly Polys because for the first time this year they walked away with all 7 points and the year's high triple game total with a very nice 2846. Nice bowling girls. A group high single was a resounding 319 rolled by Earla Crossman. Verna Woodbeck had a nice triple of 714. For B group high single Ollie Thompson had 197 and Vickie Morgan triple of 509. 200 games — V. Woodbeck 293 and 236, L. West 229, Ivy Poste 256, and Luella Bronson 200.

Fri., Feb. 21st — Points were divided today as follows: Mabel's Roly Polys took 2, Hilda's Hillbillies 2, and Lenora's Chipmunks 3. High single and triple in A group went to M. Svoboda with scores of 277 and 637. In B group Mary Little came up with a 215 for the high single and Mabel Brooks rolled the high triple of 509. 200 games — Ivy Poste 224, Lenora West 206, Hilda Rose 240, Marcella Svoboda 227.

High average in this league belongs to Verna Woodbeck with a 204.

CONSERVATION NEWS

OPEN SEASONS FOR ANGLING IN THE TWEED DISTRICT

The open seasons for angling in Ontario in 1964 has been announced by the Minister of Lands and Forests, The Honourable A. Kelso Roberts, Q.C.

A summary of the open seasons is herewith compiled for sportsmen interested in fishing in the Tweed District. For information concerning waters outside the Tweed District, fishermen should consult their local District Offices or Conservation Offices.

(no limit on catch)

With the opening of the trout season on less than two weeks away, many anglers have requested fish stocking lists for the Tweed Forest District.

The fish planting report for the Tweed District for 1963 will be going forward in a few days to all those who completed their trout catch return forms for the 1963 season. For anglers who wish to receive the 1963 stocking list, we suggest that you complete your 1963 trout catch report form and return it without delay to the Department of Lands and Forests, Tweed. You then will automatically and without effort receive an up to date 1963 stocking report.

Hastings County Junior Farmers Annual Meeting

The annual meeting of Hastings County Junior Farmers Association was held at the Stirling Community Hall on Friday evening, January 31st.

The meeting was called to order by President Fred Bailey. Secretary Janet Hamilton read the minutes of the last annual meeting. Treasurer Roscoe Morgan gave the financial report for the year. Provincial Director Harold Harris gave a report on the Provincial Junior Farmer meetings and activities of the past year.

The Secretary read a suggested induction ceremony for new members. It was suggested that the ceremony be adopted by each of the clubs.

A motion was made that the Sidney Township and the County Junior Farmers Annual Banquet be held on Friday evening, February 28th in Frankford. This is the first year that the two banquets have been combined.

Year Book Committee

A committee for the 1963-64 Year Book was nominated as follows:

Editor — Nancy Reynolds; Assistant Editor — Beverley Clapp; Advertising Manager — Ross Carlisle; Club Activities, Pauline Harris; Sports, Joan and Allan Hitchon; Do You Remember When?, Allan Franks; Social Activities, Janet Hamilton; Humour, Bob Burrell; 4-H Activities — David Foley and Linda Gunning. Each Club is to forward two names for the Advertising Committee.

Officers Elected

Nancy Reynolds as chairman of the nominating committee read the committee report. Assistant Agricultural Representative Lyall MacLaughlan after declaring all offices vacant, took charge of the election of officers. The new officers are:

Past President — Fred Bailey
President — Janet Hamilton
Vice-President — Roscoe Morgan
Secretary — Beverley Clapp
Treasurer — Allan Franks
Press Reporter — Nancy Reynolds
Directors — Paul Heagle, Jane Bailey, Sharon Lewis, Harold Harris.

Provincial Director — Fred Bailey
Fred Bailey presented Past President Nancy Reynolds with a County Past President's pin. He then presented the President's gavel to the new President, Janet Hamilton.

The new President called on Agri-

cultural Representative Sidney MacDonald who gave a report on the different exchange trips and travelling scholarships available for Junior Farmer members.

Harold Harris reminded everyone of the Junior Farmer Leadership Training School which will be held on Saturday, February 29th in the Madoc High School.

The President called on Mr. MacLaughlan who complimented last year's executive on the fine work they had done and welcomed and encouraged the new executive. He referred to the aims of Junior Farmer and 4-H activities presented in the last 4-H and Junior Farmer Quarterly and he suggested that these aims be adopted at County level. They are — Pride in the Past, Progress in the Present, Forward in the Future. He reported on the Junior Farmer Conference at Kemptville which stressed Program Planning.

The meeting was adjourned and refreshments were served by Rawdon Junior Farmer members.

Local 171 Ontario Farmers' Union

The February meeting of Local 171, Ontario Farmers' Union, was held in the hall at Spring Brook with a good attendance.

Patsy Jane Wilson, Bonarlaw, winner of the District Public Speaking contest, gave her address on "Why I Like To Read."

Geo. Williams introduced the guest speaker, Mr. T. Heath, who gave an interesting talk on milk and how the samples were put in test tubes, packed in cases to be sent to Peterboro to be tested. He also spoke on the insufficient cooling of milk. This year is the Cheese Factory Centennial in Ontario. Last year 138 million pounds of cheese was consumed in Canada. Black Diamond cheese is sold in many countries. Following Mr. Heath's talk there was a question and answer period.

Jeanne Williams was called on and outlined an insurance group plan and suggested delegates be appointed to

be present when the provincial brief is presented in March. She also stated that the Secretary Seminar is to be held in Guelph February 28th and 29th.

Emerson Reid was called on and with the assistance of Mr. Stuart McArton showed films supplied by DeLaval Co. They were much enjoyed by all. Harper Bateman expressed thanks for the educational films.

Valentine Dance

A Valentine dance was held in the hall on February 14th with good success.

4-H Forestry Club Tour Factory

On Wednesday, February 12th the Trent-Moira 4-H Forestry Club toured Gibbard's Furniture factory in Napanee, which is the oldest factory of this type in Ontario. The members were taken through the factory and saw how furniture is made from rough lumber into extremely fine furniture ready for shipment. The hosts were excellent and everyone enjoyed them.

On Wednesday, February 19th the regular 4-H Forestry meeting was held in the Stirling Agricultural Office. The meeting progressed in the regular way and Mr. Edson along with Mr. Ketcheson helped the members to identify twigs of various trees which were brought in by club members.

The next meeting will be held on March 4th at the Agricultural Office.

"Got the order, got a bank loan — we're all set"

When a businessman wins an order or contract, he knows he can turn to his local bank for financial assistance. A loan may be needed for one or more reasons—to lay in a supply of raw materials, to buy new equipment, to meet a payroll, or to cover other costs until the firm receives payment for its products or services.

With bank credit, companies large and small can take on projects they couldn't handle if they had to depend on their own financial resources. More-

over, the chartered banks have steadily widened the scope of their commercial lending to serve new or expanded short-term needs. Every day, local bank managers are lending to producers, manufacturers, farmers, retailers and others, to help them develop opportunities, meet competition, keep men and machines busy.

Commercial loans are one of many essential services your local bank provides, to the benefit of everyone in the community.
